

WHERE CAN I FIND?

This interactive feature is dedicated to helping readers locate retail merchandise that's difficult to find through reader feedback. If you have a request or information about where a product is sold or service is available, call (248) 901-2555 and leave a message with your name and phone number. Please be patient about your requests and feedback; we receive an overwhelming number of phone calls. If you don't see information about your request, we couldn't find it. Requests are published twice.
