C. R. ELY, Farmington, Mich.

Good Bread

is not always made from good flour. Sometimes, quite often, in fact, the fault is with the cook. But while poor bread is often made of good flour, good bread is never made of poor flour. The best cook in the land cannot do it. She must have the right flour and we recommend and warrant our PEERLESS brand for either Bread or Pastry. Spend your money for a home product. It will pay.

Gildemeister Flour Mills

HOME MAKING

The first step in buying or building a home is the Savings Account

Everybody should have a home of his own.

A savings account with this bank, with regular deposits from the income, will provide the money for the first payment upon one.

The sooner you begin, the sooner you will live in own home.

Do You Eat Enough FRUIT?

There isn't one person in ten who eats enough fruit. Any physician will recommend fruit for the sick and if it is good for them to get well on, why isn't it good to keep well on. We always try to keep on hand a nice line of

Oranges, Bananas, Lemons, Dried Fruits

Home-grown Berries and Garden Truck will soon be here, and whatever you need in that line you will find it here if it is possible for us to get it.

Also a fresh line of

Groceries

Ice Cream and Soft Drinks

Like the rest of our goods will be the best we can buy.

You are always welcome whether you spend your money or not

GRAND PICNIC NEXT WEEK

Three Sunday Schools to Meet in Bowman's Grove on Wednesday

It's picnic time once more. The Farmington M. E. Sunday school has invited the Sunday school from the Pierson district and also the children from the North Farmington Sunday school to join with them in a grand union picnic in Bowman's grove back of the Junction on Wednesday, August 7. We want all the boys and girls to enjoy this day. We would like as many of the fathers and mothers as can come also to help give the children a good time.

S. D. Harger is arranging for all the sports and races. There'll be something doing you may be sure, lots of fun and valuable prizes, swings, etc., etc. Plenty of amusement for all.

Mrs. Cook and the teachers are looking after provisions. You'll receive a slip telling what is expected of you. Kindly send what you feel you can. Anyway come yourself. It is you we want most of all.

The Chautauqua at Pontiac

There is being held this week at Pontiac a splendidly arranged Chautauqua. The best speakers on the American platform are to be present and address the huge gatherings. Among others John Mitchell, president of the American Federation of Labor, addressed at the first of the week a record-breaking gathering. Other speakers there this week are Lou Bean champ, Father Cleary, Robert P. Mills, Richard Hobson and others. We trust that all who can of our citizens are taking this advantage to hear these great men.

Farmington Wins from Franklin

Though the season wanes still base ball waxes more popular. Farmington Independents played with Franklin last Saturday afternoon on the home diamond and defeated them to the neat score of 8 to 1. McHugh and Cox pitched for Franklin; Harley Warner and Wilmer Johnson for Farmington. McHugh has some speed; Cox uses a pretty good "out." Harley pitched a good game until his accident. He is developing into a good pitcher. He's got lots of good stuff and a head to use it. Wilmer pitched his usual fine game, striking out man after man until it really got monotonous.

Harley Warner Injured

Harley Warner met with a rather painful accident last Saturday at the ball game. Stealing second he slid into the bag, his spikes sticking into the ground and turning his right foot under him with such force as to dislocate his right ankle. Those who were near the base could hear the "snap" off the tendons as the joints rolled out of place and back again.

Mr. Warner and Howard took Harley over in the auto to the doctor's office, taking the doctor with them, since he was fortunately at the game. The joint was found to be back in place, but the ligaments and muscles were badly strained, so that the ankle began to swell very rapidly. The doctor bandaged it and put on a healing and soothing lotion. Harley came back in the auto with the rest and watched the end of the game. He will be laid up for a few weeks for it takes a strain quite a while to get better, but if well rested until perfectly better his ankle ought to be as strong as ever.

A MAD DOG RUNS AMUCK IN REDFORD

Attacks Several Persons, Bites Other Dogs and is Finally Killed in Southfield

A brown colored dog, with a strap around its neck and showing decided signs of rabies ran amuck through Redford last Sunday snapping and biting at everything in its way. Dogs belonging to C. A. Simmons, A. M. Bosworth, Chas. Dewey and Frank Kirschoff were bitten and the animal then ran over to the Presbyterian church in Southfield, where it is said to have made an attack on Bessie Russell, but was killed by some men. The dogs mentioned as having been bitten have all been killed and it would be a wise precaution if all the dogs in the township were shut up until time to develop symptoms of madness has passed as more may have been snapped by the creature.

The dog also made a vicious attack on Cullen Watkins and was only repulsed with great difficulty. Mr. Watkins' little daughter was in the yard at the time and but for the presence of her father would very likely have been attacked.

Epworth League Meeting

Young people, attention! Holiday season is passing. Fall is coming on. It is time now to plan for fall work. Let us not put it off until next month. That is the time to begin work.

Next Monday night is the time for our regular monthly business meeting of the Epworth League. Let the head of each department come with plans for work for the new term. We are also to have a social hour together, games, etc. Place of meeting announced next Sunday. Be in attendance to hear it.

Remember, too, a week from Monday night is the regular meeting of the Guild. Watch this paper for definite announcement next week. We want every member present and all the new ones you can bring. We're bound to have a record crowd.

Big Time at Milford

Milford will pull off the first home-coming in the history of the town on August 8-9. The proposition is promoted by the Milford Club and has the endorsement and co-operation of the entire community. Each department of the affair is in the hands of experts, who have had a world of experience, so that the public may rest assured that they will be accorded a hearty reception and shown "some time" during the visit. Milford will have a ball team on the field each day, made up of the fast bunch of stars that played there in the palmy days of 1906.

The management have, at a big expense, signed for the occasion, Beachey, a famous aviator, who will drive his aeroplane in view of all. The Milford Electric company is now busy installing special wiring so that the business section will be some pike when the gms are turned on each night. Anyone who dares to stay a home is sure to miss the best blowout on earth.

Card of Thanks

We sincerely thank all the neighbors and friends, who assisted us during the sickness, death and burial of our sister and aunt, Mrs. Mary E. Selby, and for the beautiful floral offerings of the friends and the Ladies' Union; also the choir and Rev. Mr. Gullen.—Mrs. E. P. Cogsdill, R. M. S. Cogsdill.

Cook Wanted

Woman wanted to cook at the Owen House at once.

SHOE BARGAINS

Having decided to drop certain lines of shoes entirely and clean up all odds and ends in our regular lines, we shall place on sale, beginning

MONDAY, AUGUST 5,

a large portion of our present stock at greatly reduced prices. This sale will include both

SHOES and OXFORDS
for
MEN and WOMEN
and
CHILDREN

and we sincerely hope you will not miss this opportunity to get some extra good values at extremely low prices.

FRED L. COOK & CO.

Bottled Sunshine

This isn't a sermonette, but a story; a story that will earn social ostracism for you if told in South Jersey.

Down at Bridgeton the business men got all het-up over the prospects of locating the manufacturing plant of the "Sun Electric Generator Company," and they invested \$35,000 in the stock of as rank a swindle as ever emanated from "Get-Rich-Quick Wallingford."

It was the simplest thing ever. Just put a storage battery on the roof and let the sun rays generate electricity to light the house at night. The bottlers of sunshine are now in jail, but it developed that not a savings bank depositor had bought sunshine stock. Their money is still working for them in some strong bank like the

Farmington Exchange Bank
(A STATE BANK)

Better bottle your greed for impossible interest and generate energy in our savings department.

Fred M. Warner, Pres. Sam'l D. Holcomb, Vice Pres.
C. W. Wilber, Cashier.
