

Re-registration May Be Held In Township

(Continued from page one)
 ply copying the names from the old books when the space in the old books was filled.
 Mr. Eagle said that the election boards in Precinct No. 1 were often put in an embarrassing position, when old residents whose names for some reason or other were not on the poll-books, appeared and applied for ballots. The election board in many instances knew that the citizen was entitled to vote, although his name was not registered. Mr. Eagle said, and refusal of a ballot was regarded as a personal affront.
 Justice Walter Headerle said that Precinct No. 2, where he has served on the election boards in recent years, has experienced little difficulty with the poll-books.
 In case there is no legal provision for bringing the poll-books down to date before June, 1932, Clerk Willard Campbell stated, he would not take the responsibility of making any changes in the books.

We had the largest Sunday School attendance last Sunday. We expect to report an average of 200 very soon. We know you will enjoy our Sunday School programs as well as our class discussions.

CEMETERY AUXILIARY TO MEET MONDAY, JAN. 26

The annual meeting of the Walled Lake Cemetery Association, which was to have been held last week, has been set for Monday, January 26, at the home of Mrs. Robert Rhodes. The meeting will be held at 1:30 p. m. Election of officers will be held.

LETTERS TO THE EDITOR

To the Editor:
 The old Jefferson club was again brought into action on Wednesday night, January 7 in Pontiac and new officers elected: Alfred Gale of Waterford Township was elected president; Clark Adams of Royal Oak treasurer and F. R. MacIntosh, of Pontiac secretary. One hundred attended the meeting and a fine program was rendered. Speeches were made by William A. Constock of Detroit, Al Deba, chairman of the Michigan Democratic State committee; Charles P. Webster, Pontiac; Robert Heitsch, Pontiac; James Lynch, Pontiac; Homer Calvin, Pontiac; Patrick Lynch, Pontiac; William T. Jackson, Pontiac.
 F. R. MacIntosh was chairman and Raymond Green of Rochester was toastmaster.

The County convention will be held in Pontiac February 19 and at that time delegates to the State convention which will be held in Flint on February 26, 1931. Oakland County will be entitled to 37 delegates and it is the hope of the officers of the club that a full quota will be able to attend both the County and State meetings. A national speaker is promised for the banquet in March, 1931, which will be held in Pontiac. The club expects to sell 1,000 tickets, making this the outstanding banquet of the year.

Another thing the club is going to put across this spring is a full ticket in each and every township in the County for they think it is high time that Oakland County has a change for the good of the taxpayers. The slogan of the Club is, "Clean Political Administration for Oakland County." There are about 600 members now and the secretary will be glad to add new names to the roll at any time.
 —F. R. MacIntosh, Route 7, Pontiac, Sec. Oakland County Jefferson Club.

To the Editor:
 And now with thousands of men going back to work and the general outlook is for restoration of prosperity, they should ask our lawmakers to see to it that our nation is provided with a weapon to be used upon the two monsters, oppressing evils commonly called monopoly and graft.
 If these two monsters could be kept from functioning our common people or working class would see better times and their children would have more necessities and advantages.
 To my mind graft means a 100 per cent increase in taxes, and monopoly means 100 per cent increase in commodities for the common people and working class es. Who thinks different?
 —Charles Wedow, Walled Lake, Mich.

Chevrolet Plans Big Newspaper Campaigns

Another aggressive advertising campaign, with newspaper display columns carrying the brunt of the attack, is promised for this year by R. K. White, advertising manager of the Chevrolet Motor Company.
 Long one of the nation's leading advertisers, the Chevrolet organization lent its endorsement to the pulling power of the newspaper by using 6,700 dailies and weeklies to announce its new 1931 car in November, the largest newspaper schedule ever used by Chevrolet in one campaign since the inception of the company. This move was made despite subnormal business conditions and the generally slackened promotional activities of manufacturers in and out of the automobile industry.
 "We made this move," Mr. White explained, "because we are in direct accord with the frequently expressed view that the only way to make bad business good and good business better is to put abnormal effort into your activities when you face subnormal conditions."
 "The newspaper continues to form the backbone of our campaigns, and for the present will continue to do so. It is the parlance of the gridiron, carries the ball and the rest run interference."
 If the man likes gardening, I find myself liking the man.

Series of Programs Is Planned By Club

Farmington Exchange Club will embark on a new series of programs in two weeks, members having drawn numbers from a hat to determine the dates on which each is to present his program at the noonday luncheon meeting Wednesday.

N. H. Power will present the first program on Wednesday, February 4.
 At the suggestion of Rev. Floyd Johnson, the Club expects to engage in some ping-pong games next week and possibly after programs thenceforth. Rev. Johnson reported that the Dearborn Exchange Club is enjoying the sport very much.

Northwestern Cagers Beat Burroughs Team

Northwestern A. C.'s basketball team evened its record for the year Tuesday evening by defeating the Burroughs team of Detroit at the latter's gymnasium, 28 to 21. Previously Northwestern had lost a game to Plymouth, 42 to 32.
 Next Monday evening the Northwestern cagers will journey to Birmingham to meet the team of that community.

The Club is planning a big Valentine dance on the evening of February 12, in Oddfellows Hall, Clareneville. The dance last Thursday evening was a social and financial success.

YOU, YOU—and YOU!
 No matter what your business occupation or social position may be, you are doing yourself a grave injustice unless you have a savings account into which some portion—if only a small one—of your income is placed aside at regular intervals. A savings account means much more than an accumulation of money. It embodies the saver's plans for future advancement, protection and contentment. There are a multitude of cases that might mean a significant change in a person's course of life. If you don't already have a savings account in a good safe bank come in and open one with us today.

No Longer Expensive is This Healthful ELECTRIC COOKING

It costs little more than the method you are now using

Now you can enjoy modern electric cooking at a cost differing little from that of your present cooking. Electric cooking has been brought well within reach of the average family income. There is no longer any reason why you cannot enjoy the superiority of modern electric cooking in your kitchen.

Electric cooking is healthful. Very little water is needed to cook meats and vegetables; they cook in their own juices. All the nourishing elements, lost in the form of steam in an ordinary stove, are sealed in with an electric range. Even the cheaper cuts of roasts cook to melting tenderness.

Baking is simplified by means of automatic oven heat control. Pastry is flaky, and cakes are light and fine-grained. You will be delighted with the convenience and cleanliness of electric cooking.
