## The Ideal Summer Laxative

So many people want the beneficial, non-habit-forming laxative effect of mineral oil but object to heavy oils for summer use. Agarax is a creamy emulsion that is delicious. Nonabsorbent so non-fattening. No leakage for the oil is in minute drops.

### OUR LOG CABIN IN THE PARK

To the Editor:

Some time ago I read with regret certain ones wished the Log Cabin torn down. I with many others was ready to fight for it being left intact.

What more honored use could be given it than that of our Legion Boys and now that they have a larger home of their own, it is given over to our young Boy Scouts. Already some of our worthy citizens have been working to improve its appearance and soon it may be referred to as one of the most beautiful spots of Farmington.

Often you hear a stranger, passing through, comment on the beauty of the little Log Cabin in the Park, or refer to our City as "the pretty little place with the Log Cabin in the Park."

I for one, thank all who voted for its preservation.

—One who loves the Log Cabin.

### Concert Planned

A Sacred concert will be given at the Baptist church Sunday afternoon at 3:15. Two young men, Kermet Finley and Rex O'Brien, from Chicago will render several numbers on the trombone, guitar, musical saw and musical glasses. These same gentlemen will sing solo and duet numbers. Everyone is invited to come. There is no charge.
