

## Board Hopes To Act On Water Needs

Renewed efforts will be made to secure a sorely needed water supply for Farmington Township, members of the Board decided at their monthly meeting Tuesday night.

Supervisor Arthur Coe, made a motion seconded by Ernest Bland, and approved by the Board, that Water Header be named to assist the Supervisor and Clerk Harry McCracken, to present the matter for water for the Charlevoix community.

Conferees with the Detroit Water Board Engineer, pipe manufacturers and property holders will be the initial steps in this undertaking, members of the committee told the Township residents who were present at the meeting.

### No Assessment

Some members of the audience suggested an assessment proposal. Committee members informed them that a special assessment district would not be permitted by the Debt Commission at Lansing, because the district was more than 25 per cent delinquent.

Header stated that the only alternative was to have donations from property owners who could be asked to contribute to this working on that phase.

Discussion on the water situation was inaugurated by H. A. Taylor, Road north Grand River. He informed the Board that people in the Eight Mile business district were badly in need of a water system. He stated that they had good wells, but they did not supply a sufficient amount of water.

### Entire Area

Other residents who were present told the water needs of the entire area. A long discussion among Board members and residents followed.

Township Hall plans were discussed. The Board assured residents that appraisers are now at work determining the value of the Township's portion of the Township Hall at Grand River and Grand River Roads, and that returns will be made at the earliest possible date.

Judge Glenn C. Gillespie informed the Board by letter that it was not advisable to proceed with plans for a new Township Hall unless a site had been purchased, or the money for it was available, and also they should be certain of their funds for the erection of their hall.

### Submits Plans

Frederick Madison, a Royal Oak architect, submitted floor plans and a sketch of the exterior of a smaller building than the one proposed at the last meeting of the Board. No definite action was taken.

William Campbell, who was sponsored to the Wolverine Boys' State by the Board gave a brief report of the group of 10 day activities. Supervisor Arthur Coe signed the "diploma" issued by the Boys' State.

The group decided that all bills must be presented to the Board before the monthly meeting, if immediate payment is expected.

### A&P to Aid Housewives With Canning Problems

With the canning problems occupying the time of many housewives these days, Mark Ferritor, manager of the local A&P store, reminds them he can aid them in supplying them many of their needs. He is offering mason jars for sale. To assist them in making jars, he suggests that they use Certo.

For every day needs Ferritor states he has some excellent Michigan Beet sugar, coffee and canned foods to fulfill their demands. For desserts he suggests ice cream powder or some special package dessert. Purchasers of the latter item will find an added offer of an attractive dessert set.

### COUNTY FAIR

Dates for the Oakland County Fair, an annual event, are scheduled for August 10 to 13, at Millford. A large and varied program of acts, exhibits, horse racing and ball games will feature the three days, and an extraordinarily fine livestock exhibit is promised. No gate admission charge to the grounds will be made.

## Howard Guy Eisenlord Dies in Philadelphia

HOWARD GUY EISENLORD

Relatives are awaiting the arrival of the body of Howard Eisenlord in Farmington, and funeral plans will not be completed until then.

Howard Guy Eisenlord, who was 40 years old, died Tuesday morning in the Navy Hospital in Philadelphia. He had been ill since March suffering from a lung ailment.

His wife arrived in Farmington Thursday morning to await the body.

Services will be held Saturday afternoon at 2 o'clock from the N. J. Eisenlord home on Grand River. Members of the Masonic order will have charge. The body will be cremated.

### Born in 1899

Howard Eisenlord was born May 8, 1899, in Philadelphia, Pennsylvania, six years ago. Since then he has been an officer in the United States Department of Justice, stationed at Northeastern Pennsylvania.

This past March he took ill, and a month later he was forced to leave his work. He was taken to the Temple Hospital in Philadelphia, where he was treated by a noted bronchial physician, Dr. Chevrolet Jackson.

He visited relatives in Farmington last December. His sister Julia visited him while he was at Temple Hospital.

Eisenlord was first commander of the Groves-Walker American Legion post, and he was a 32nd degree Mason.

In 1925-33 he was united in marriage to Miss Margaret L. McCran, of Patterson, New Jersey. They had no children.

Surviving him beside his wife are his parents, Mr. and Mrs. N. Eisenlord, of Grand River Road; an older brother, Homer J. Eisenlord, of Farmington; and a younger sister, Mrs. Julia J. Wood, of Inkster.

### A Joke Depends On Person's Point of View

Some people's idea of a joke depends on the point of view a person takes.

Take the case of Mrs. Stella Strye. She's not so certain that she's so mirthful. A relative who reported it, and says all the "details", sees it from a humorous standpoint.

Mrs. Strye, the former Miss Vanderberg, who attended Farmington High School, and who has many friends in this region, cheerfully informed her "sympathizers" that she was thankfully quite hale and hearty.

The relative, whose name is being withheld, was reported to have been seriously informed friends that they might soon see Mrs. Strye's death notice. They did not take her seriously.

## Shuffle Board Proves To Be Main Playground Attraction

"Look at the energy those kids have. You can't keep up with them," said Playground Director Paul Shoemaker to a local observer Tuesday morning as 350 children romped about on the school grounds.

"You think this is something," he added. "You should have been here yesterday morning when the breezes were cooler. They really made me sweat then."

A little blue eyed boy came to the Director. He had received a minor scratch and it was bleeding slightly. He wanted Coach Shoemaker to "fix it." A few drops of a disinfectant were applied with a piece of cotton as the boy awaited a burning sensation which didn't come.

### School Addition Is Not Approved

West Farmington will not build a two-room addition to their present school it was decided by elections of School District No. 4, fractional, at the special election held at the school Monday. Election officials stated that 75 per cent of the voters cast, which is a better-than-average turnout for the district.

Election officials stated that they were in favor of issuing bonds, but they are limited to 15 million. The tax limitation above 15 million. Defeat of the latter proposition meant automatic death to the project, regardless of the fact that people favored the bond issue.

Although there were only four more negative votes cast than approvals on the tax limitation proposition, the measure did defeat by 13 votes, because a two-thirds majority was necessary.

In the bond issue only a simple majority was necessary. The measure was approved by 10 votes.

The final tabulation was as follows: Tax Limitation—Yes, 30; No, 34; Spoiled, 6. Bond Issue—Yes, 28; No, 25; Spoiled, 2.

### LIVONIA IS NEAREST PHONE EXCHANGE IN THIS SECTION

Livonia is the nearest telephone exchange in this area. It has been connected to serve Rosedale Gardens, an undeveloped residential subdivision on Plymouth Road outside of Detroit in the Southern Division territory. The dial operated central office equipment was placed in service recently. It is housed in a small, especially constructed building at 11400 Meridian Road.

Customers in Rosedale Gardens and along Farmington, Plymouth and Five Mile Roads formerly were served mainly by the Farmington and Plymouth exchanges, with a few lines being connected to the Redford central office. The area served by the Livonia exchange is 22 miles square, and has 150 telephones at the present time.

Cutover work was done quickly and without ceremony, although planning, engineering, the installation of new instruments, and equipment and other necessary functions were in progress for several months.

Subscribers in the Livonia exchange call others within the exchange merely by dialing the desired number. Calls to obtain information concerning the Livonia or Plymouth telephone numbers, and to call the business office or repair service, are made by dialing "0" or "10" or "11" or "12" or "13" or "14" or
