

FRIDAY, MARCH 17... will surely see the "wearing of the green" in Farmington — and that's for sure with all the good Irish folk herabouts. This is one town where St. Patrick's Day will always be assured proper recognition.

Flint Tech Wins Over Farmington

Local Boys Make Fine Showing

In the final round of the Regional Tournament at Ferndale, Farmington was defeated by Flint Technical 37 to 23. The game was close throughout the first half and at the end of the half Flint was up 15-11. It looked as though Farmington might win this one, too, but in the second half Flint pulled ahead and strolled enough to win 37-23. Farmington played good ball, and with a few baskets in the third quarter they would have made it hot for Flint.

Now that the basketball season is over, all the boys can get back into our normal lives again. The Farmington team this year has been the best and has gone the farthest of any F.H.S. team for a long time. They won ten and lost four games in the regular season, and were champions of the District Tournament, thus winning the District Championship, and won one and lost one in the Regionals.

The Farmington team has made a great showing this season, and much of the credit should go to coach Bob Sutton, who has taught every one of his boys the way to play good basketball. Congratulations, fellows! Let's have another championship team next year.

Senior Play Is About Ready

On Friday, March 23, beginning at 8:15 P. M., the Senior Play at Farmington High School, will give as their class play, "Mummy and the Mumps" in the High School Auditorium. Miss Ann Pavlovich, public speaking instructor, is in charge of the production.

The play is a three-act farce, filled with laughs and suspense, which will provide a good two hours of fine entertainment.

The setting is an exclusive girl's school near Boston, where the principal (Dorothy Gustafson) is expecting a new member on the faculty. Sir Hector, a distinguished young aristocrat, has just returned from a most unconventional fashion. His identity is discovered but kept secret by a clever pupil (Betty Aschen-Brenner) because she knows there is another Sir Hector who has just returned from a most unconventional fashion. The complications increase, each more uproariously funny than its predecessor. The hilarity is also promoted by the inimitable man of all work, who's always got work to do but doesn't do it (Henry Colebank); by the prize distributor of the school (Jackie Erwin); by a popular student from the East (Peggy Dwyer); by a nosy girl reporter (Audrey Lathrup); and by a country sheriff (Carl Hanson).

The band, under the direction of Mr. Crane, will furnish music before the curtain opens.

RED CROSS DAY OBSERVED BY LOCAL CHURCH

The Clarencville United Church has designated Sunday, March 18, as Red Cross Day. The proceeds of the day will be given to the Red Cross. The church has already pledged \$50 to start the day off.

A worker from the Red Cross will be present, and also a Unitarian minister. The church is returned home. It is expected that a group of Blue Star Mothers will also attend.

Victory Garden Week Designated

By virtue of a proclamation issued this week by Mayor Delos Hamlin, next week, beginning March 19, will be observed as Victory Garden Week. During the week, the residents of the community are asked to make their plans and preparations for a garden in 1934. If you do not have a garden space on your own land, make a reservation with the Kiwanis Club, and plan what produce you will want, and place your order for seeds and plants.

The merchants will feature special Victory garden offers during the week, and will offer valuable suggestions to offer.

It is also planned that in connection with the Victory garden program this year, Mrs. Ora Joy, who is Victory Garden chairman for the City and Township, will prepare a series of helpful hints on gardening. An article from this series will appear each week in the Enterprise.

The Victory Garden Week proclamation reads as follows: Michigan Victory Gardeners in 1933 produced a half million tons of food valued at \$200,000,000.

Their efforts, combined with the efforts of Victory Gardeners in the other states of the Union, not only provided food directly for millions of families, but permitted the reduction or removal of ration points of many canned vegetables, thus making additional amounts of these foods available to all families.

The demand for food is greater in 1934 than in 1933. There must be more food for our armed forces, more for lend-lease, more to take care of the people of occupied countries. There must be more home grown foods if shortages of the civilian supply are to be avoided and ration points are not to be increased.

The 1934 Victory Garden goal is 10 per cent increase in the number of gardens and a 25 per cent increase in production. This means that in Michigan there must be 750,000 gardens in which will be grown 25,000,000 bushels of food.

Remembering the great contribution made to the 1933 Victory Garden program by the people of Farmington, and realizing their common and ardent desire to do all that they can to help win the war, it is now called upon each and everyone to observe Victory Garden Week beginning March 19th by making plans and preparing to plant a garden in 1934, to the end that we shall do our part in achieving the State's new goal of prudently guard against a lack of food affecting the war effort on both the battle front and the home front.

Given under my hand and the seal of the City of Farmington, Michigan this 15th day of March in the year 1934.

Delos Hamlin.

SENIOR PROM SET FOR APRIL 29

The Farmington High School 1934 Senior Class has set the date of Saturday, April 29, as the day for the annual Senior Prom. HOME ON LEAVE

CAPTAIN PORTS

Captain Preston W. Ports, recently returned to the States after a year and a half in the Pacific area, will again be at home to his friends and former patients at the Ports residence, 3310 Grand River Avenue, this week on Friday, March 17.

Captain Ports has seen some very interesting things, and had some most unusual experiences. In just a few minutes conversation one gets a much clearer understanding of some of the wartime conditions in actual combat areas. Fortunately for us, the steady flow of men and supplies to these war-torn areas have erased many of the hardships of the early days of the struggle.

BLOOD BANK WILL RETURN IN EARLY JUNE

Confirmation of the date for the next visit of the mobile unit of the American Red Cross Blood Bank in Farmington was received this week by the local blood bank chairman, Mrs. Howard Wray. The unit will be here, for one day only on Monday, June 5. The quota for this visit is 250 pints of blood.

No definite bleeding time has yet been set, but the unit will undoubtedly be here during the afternoon. Arrangements will remain the same as they have been in the past, with registrations being taken at the office of Dr. R. A. Aschenbrenner, and at the Edgar S. Pierce insurance office.

Those who know they will not be able to make arrangements to give blood on the date the unit will be in Farmington, may be interested to know that the unit will be in Novet on Monday, April 30. Anyone from this area who wishes to give blood at Novet should make an appointment with Dr. Cottrell at Novet.

FORMER NEIGHBORS MEET IN ITALY

Mrs. Bertha Spaller received word this week from Italy, Howard, stationed somewhere in Italy, that he had been injured and was confined to the hospital. He informed her he received a big surprise one day when the change of nurses took place in his ward. He noticed one of the nurses going from patient to patient, and as she got near him he recognized her as an other than Howard's nurse, Miss Grimshaw.

Howard wrote that it certainly was good to see someone from home. On her next visit Olive brought a copy of the Enterprise to him, which he read with great interest, eager to learn all about the home town, and the others in service.

While here at home, Howard lived within a stone's throw of Olive's family home. All of which goes to prove it's a pretty small world, isn't it?

Band Club Meets Next Monday

The next meeting of the Band Club will be held Monday evening, March 20. An interesting program has been planned, and all parents are urged to attend.

Red Cross War Fund Contributions Are Growing

The American Legion Auxiliary, 316 S. Michigan, will sponsor a Pan American program at the High School Auditorium, April 13 at 8 p.m. Movies of Chile will be shown and the purpose of the program is to foster better relations with Latin America. The public is invited.

University Man Speaks At PTA

The Farmington Parent-Teacher Association will hold their next regular meeting on Tuesday, March 21, at 8:00 p.m. at the High School cafeteria. Mrs. Horace Heywood, Mrs. Richard Erickson, Mrs. Harley Schroeder and Mrs. Warren Joy.

The speaker for the evening, Dean Don S. Miller of the College of Liberal Arts at Wayne University, has chosen as his topic, "Opportunities Available to Farmington People." This is a subject which will hold something of vital interest to every resident of this community, whether a member of P.T.A. or not. The speaker is particularly well suited to speak on this subject, and everyone should avail himself of the opportunity to hear Dean Miller.

Annual election of officers will be held at this March meeting. The program is in charge of the Tenth Grade parents, Mr. and Mrs. William Blight, chairman, advised by Mrs. Stanley Miller, Mrs. Elliott Miller, Mrs. Horace Heywood, Mrs. Richard Erickson, Mrs. Harley Schroeder and Mrs. Warren Joy.

KIWANIS SHOW HAILED AS SUCCESS

There was a good crowd out last night to see the production of "Kiwans Knives," the annual show of the Farmington Kiwanis Club.

Through the courtesy of the Stainless Ware Company of America the first part of the show consisted of a group of singing and dancing numbers, accompanied by excellent music. One of the best parts of this show was the presentation of "Jerry, The Cop," one of the priciest little dummies we've ever seen — and not so dumb, either.

During intermission the Ford Rangers, always popular with Farmington audiences, entertained.

The last half of the show, done this year in black face, featured some new local talent, as well as some of the old favorites. The end men portrayed by Harold Hurdett, Cap. Allor, Eddie Alexander and Kena Loomis turned in a particularly good performance, as did the interlocutor, Jim Warner.

The evening provided a lot of good laughs for the audience, as well as considerably increasing the Kiwanis Fund for Underprivileged Children.

The club wishes to extend its thanks to everyone who cooperated to make "Kiwans Knives" the huge success that it was.

ST. PATRICK'S DAY CARD PARTY WILL BE GIVEN

A St. Patrick's Day card party will be held Friday night at Our Lady of Sorrows School, Grand River at near Orchard Lake Road. The party is being sponsored by the Altar Society and proceeds of the event will be put in the new church building fund.

All card games will be played, and there will be individual table prizes, as well as about twenty door prizes. Playing will begin at 8:30 p.m.

SOMEbody... always has to "pick on" the service men when they come home — but we'll bet Bob Schulte is one service man who didn't mind in the least being picked on a little at the Kiwanis Show Wednesday night. In fact, he considered himself mighty lucky indeed. Howard Warner seemed to be wearing a pretty broad smile too, but then a whole row of balloons — and no points on it either — is not to be taken lightly.

MARCH 15... has been safely reached — and passed, and now everyone can get back in the big easy chair and take a few uninterrupted snoozes when it comes evening instead of having to dig out the books, and start in on the figuring.

HAVE YOU... been up and about town early enough some morning to see the street lights go out along about a quarter after seven, or seven thirty? If so, you know that it still looks like the middle of the night. One can certainly see a big change on the other end of the day, though.

THE EASTER BUNNY... may have gone to war this year — in fact it looks awfully much as though he did, but we've been bits of conversation here and there about sprucing up the old outfit, and making it do this year, without any great investment. It's

an excellent idea — and a darned patriotic one, too. It will have a lot more for an extra War Bond or two, and the Red Cross drive is still going on. By cutting down the corners on the personal budget you'll find you have a lot more for the things you feel you really want to do.

TENTATIVE LEGISLATIVE ZONES SET UP

A tentative report of the committee on the apportionment of Oakland County into districts for members of the State House of Representatives, under the new reapportionment, was made on Tuesday of this week.

The five districts, each of which would have one Representative, are as follows:

Zone One — The North three tiers of Townships in the County, with a population of 48,073.

Zone Two — City of Pontiac, with a population of 66,628.

Zone Three — Troy Township, City of Birmingham, Bloomfield Hills, Bloomfield and West Bloomfield Townships, Commerce, Milford, Lyon Township, South Lyon, Novi, Farmington, Farmington Township and that part of the City of Northville which lies in Oakland County. This district has a population of 44,813.

Zone Four — City of Clawson, Royal Oak, Berkley and Southfield Township with a population of 44,986.

Zone Five — Royal Oak Township, Hazel Park, Ferndale, Pleasant Ridge and Huntington Woods with a population of 50,571.

This committee will meet again on March 28, for final action.

Mrs. H. J. Taylor and Miss Mary Taylor of Grosse Pointe will spend Sunday with Mr. and Mrs. Richard H. Taylor and family.
