BOYS REPUBLIC CHOIR TO SING AT EASTER ASSEMBLY

Thursday, April 6, 1950 at 1:30 p.m., the choir from Boys Republic, Farmington, will entertain the students of Clarenceville with an Easter program.
 The choir, which consists of 36 boys under the direction of a staff member from Boys Republic, will sing several sacred and secular pieces.

This program is the beginning of a series of concerts to be presented in schools of this area and surrounding areas. The purpose is not only to bring musical programs to high schools, but also to publicize the work done for the boys at the school. This is just one of the many activities the boys are engaged in. J. Forty Trojans Get Awards

Last Tuesday evening at 6:20, an all-sports banquet featuring Wally Weber as guest speaker was held in the Clarenceville gymnasium honoring Trojan athletes who participated in baseball, track, football and basketball during the last year. Featured guests present were Iry Wisniewski, Michigan end, and Bill "One Play" Puteh, Michigan quarterback.

Mr. Max Miller, high school principal, acted as toastmaster for the affair. The invocation was given by Richard Gault. Mr. Miller introduced Mr. Leo Larave, Clarenceville's music director, who led the assembled group in singing. The songs included were the school song "Roy, Roy, Roy Your Boat" and "When Good Friends Get Together".

Mrs. Betty Walsh, president of the Edgewood Mothers Club, gave the welcome, after which Albert Simcheck gave the response on behalf of the athletes.
 More music was offered as the complete girls' chorus under the direction of Mr. Larave sang "Devil's Quartet, composed of senior girls, gave a splendid rendition of "Bless This House".

Wally Weber provided the next entertainment on the program and gave an interesting talk on sports in general, famous football coaches like Rockne of Notre Dame, Kipke of Illinois and Yost of Michigan. Mr. Weber also stressed the importance of taking your subjects as seriously as athletics.
 Mr. Charles Greig introduced the two Michigan football stars who gave a brief talk, as did Mr. Harry McKittrick, who assists Mr. Greig in coaching athletics.

After which Coach Greig awarded the letter certificates, pausing a moment before each award to comment on the athlete.

Council Discusses Bleacher Lighting

The Student Council of Clarenceville High School held its weekly meeting Wednesday, March 27. The meeting started off with the representatives discussing the bright lights over the bleachers during the game, made a motion that the bleachers be blocked off and the lights over them be turned off at sunset.
 Another new system has been set up by the Student Council. It is hall duty during school hours. Two students, one boy and one girl, will be stationed in each hall. Their purpose is to check and sign all passes issued to the students by the teachers.
 Another thing discussed was the untidiness of some students. A committee was appointed to try and set up a system for catching and preventing this untidiness.

B. Gourlay Wins Bee, D. Warner Runner Up

Friday, March 31, Betty Gourlay, an eighth grader, took first place in the All School Spelling Bee. The runner up was Donald Warner, a sixth grader. The bee was held in the Clarenceville gym.
 Betty will attend and compete in the district contest April 21 at the Farmington High School gym.
 The word which Donald missed to give Betty the title was "conscience".

G. A. A. Initiates 23 New Members

At the G. A. A. meeting March 29, 23 new girls were invited to become members providing they passed initiation. Some of their initiations consisted of different colored socks and shoes. They were required to have their hair in rags on one side of their face and none on the other. They were also compelled to wear a sign on their back saying "I am a G. A. A. Worm". As an added punishment they were required to kneel to all officers on both knees.
 They all survived to attend the court meeting Friday, held in the girls shower room.
 The girls, believe it or not, came out of this fine and as members of the G. A. A.
 The formal banquet was held last night. The new members received their membership cards and pledge.

Seniors Sponsor Cooking School

Last Thursday afternoon, senior class mothers sponsored a Cooking School at the People's Quilting Company in Dearborn. Approximately 35 mothers attended. The program was recorded and then broadcast over station WKMI at 9:15 Wednesday morning on the "Bess Wright Cooking School".

Dottie Cook was the hostess and she made several delicious new dishes that were given away as door prizes. Norma Gault and Nancy Latimer represented the Senior Class and told what school they were from and what the money earned would be used for. They explained that the mothers were donating the money to the Senior Class to help them pay their expenses to Washington, D. C.
 Recipes for new and different baked goods and main dishes were given those attending. N. L.

We missed Jack Riddell at the last dance. Wonder why? He's now in Edmonton, Alberta, Canada, working with his uncle. He plans to stay there for six months. Talking to Roy Perkins at the dance Friday. He's now working at Ford's in the personnel department.
