### "NO MORE SLEEPLESS NIGHTS"

"I feel so much better since I no longer have to dread those awful sleepless nights! My 'Insomnia' turned out to be due to too much caffeine in the coffee I drank. So I switched to Postum and now I get 8 hours of restful sleep every night."

Are sleepless nights, due to "coffee nerves", interfering with your good health? ... Do you wake up in the morning, feeling tired and lousy? ... Then, try a switch to 100% caffeine-free POSTUM. See if you don't enjoy good, natural sleep that makes you feel better and enjoy life more.

**SCIENTIFIC FACTS:** Both coffee and tea contain caffeine. And caffeine is a drug that acts upon the brain and central nervous system. Also—in susceptible persons—caffeine tends to produce harmful stomach acidity. So while many people can drink coffee or tea without ill-effect, others suffer nervousness, indigestion, sleeplessness. But POSTUM contains no caffeine or other drug—nothing that can possibly keep you awake!

**MAKE THIS TEST:** Give up coffee—give up tea—drink POSTUM exclusively for 30 days—and judge by results! Ask your grocer today for INSTANT POSTUM—A Vigorous Drink made from Healthful Wheat and Bran—100% caffeine-free! POSTUM is a Product of General Foods.
