Did you miss the column last week? Well, first of all my little daughter Sharon was sick, then the following day I came down with a virus infection and was in bed a week. I am just getting around now, getting my housework done by myself.

Mr. and Mrs. Charles Barnum of Seven Hills Road have returned from a 17-day camping trip. They went to Hawk Lake in Manitoba, Canada, and camped there for five days. From there they traveled to Red Lake, at the "end of the world" in northern Canada. Then they started home and camped at Port Williams, Duluth and Peaslee, Wisconsin, and came home through the Upper Peninsula and across the Straits.

A supper bridal shower was given for bride-elect Sally Schneider of 2731 Long Street last Tuesday evening. Seventeen guests were present and the shower was held at the home of Mrs. Thomas Perovlat at 21632 Hancock Street.

Laura, the new bride, surprised all the girls at the shower when she displayed her engagement ring. Miss Beth Gillespie is leaving this Monday for a convent. All the girls are from the Clarenceville graduating class of 1952.

Little Ray Dean Stamer of 20221 Angling Road celebrated his sixth birthday August 1. His guests were Jimmy and Laura Sullivan, Jimmy Stamer, David Ostrander, Billy Spradley and Michael Ellis. Mrs. Stamer served the children a lovely lunch in the yard under the weeping willow tree. Then the children went to the John Allen and Kay Karen Fremd homes on Jacksonville and played games and received candy.

Dairyman Gives Tip On Feeding Cows Silage

Here's a tip for dairymen who complain that their cows don't eat grass silage. George Parsons, Michigan State College extension dairyman, says that this is not unusual — in fact, the college has the same problem with its dairy herd.

He advises farmers to feed about five pounds of dry hay along with the grass silage. This will help sharpen their appetite for it.

CLEANING RAYON

Here's a hint for better pickers who may get stains on rayon clothes. If it is a washable rayon, rinse the stain thoroughly with warm water and if the stain persists use a mild bleaching solution (on white fabric only) and then rinse in a weak solution of vinegar and water. For non-washable rayons, sponge with lukewarm water. Immediately, say MISO specialists.

Grueling Stock-Car Competition Proves HUDSON BEST BY FAR!

AS YOU know, it is impossible for a prospective buyer to accurately judge the relative merits of various cars through a casual examination or on the basis of claims.

Therefore, smart buyers are taking advantage of the record established in stock-car racing which affords an impartial test of the important features of competitive makes—features which largely determine our satisfaction. In this rough, tough competition between cars just like you can buy from dealers, every make of car is compared for power, durability and safety—vital qualities in your daily driving.

With 30 victories in 34 starts already this year, Hudson proves it has these great qualities in measures no other car can match!

Hudson's rugged high-compression engines are famous for terrific power and performance. But more important, only Hudson has "step-down" design with America's lowest center of gravity. A Hudson hugs the road like it loves it and almost steers itself. Movable body-and-frame* is the most durable, safest known!

Visit us and try a Hudson, or if more convenient, phone and a Hudson will come to your door.

*Step-down. Patent pending.
