

YWCA Offers Lounge For Teens And Twenties

What to do on Friday evenings has been solved by the YWCA for young men and women in their late teens and early twenties. "Teens and Twenties Lounge", a club planned by recent high school graduates, is open every Friday night from 7:30 to 11:30 in the Green Lounge at Central Branch YW, 2230 Witherell Street, Detroit.

The club is a drop-in lounge, where girls and young men come with dates or alone and enjoy dancing to record, cards, ping pong and other kinds of entertainment.

Alumni News

Robert Corbin, a graduate of '51, has joined the Navy Reserves and is working at General Motors.

Robert Godeite and Thomas Hartford ('53) have joined the Coast Guard reserves. Bob isn't going back to college this year, but he is studying an engineering correspondence course.

Joan Wellman ('52) is working in a Detroit bank, and her brother Ray is employed at the Eastman Kodak Company.

Joanne Chestnut ('52) has become engaged, and Gerald Albers has taken up the profession of plastering.

Bob Parsell ('52) is in the Air Force, and will be home for this next Christmas. Helen Cashman ('49) is in the Waves.

Harlow Davis ('51) is attending the University of Detroit two nights a week. He is studying drafting.

Gary Rozenboom ('52) has asked that important question. He and Gwen Wynne are to be married in the spring.

Jim Russell ('51) is stationed in Alaska and the Air Force isn't going to give him leave until June. G. E.

Mr. and Mrs. A. G. Schoeneman of Shipman, Illinois, spent the week end visiting Mr. and Mrs. William Lancaster. The two families have been friends and neighbors for a good many years. They had a very enjoyable visit.

WRITER COLLECTS DATA ABOUT COACH WATERS

As I looked down the field, I saw the reserve and varsity coaches in a huddle. No, they weren't trying to keep warm. There stood the coaches, McKiltrick, Mirra and Selke, who often have the other standing there? Just then my neighbor nudged me and whispered, "Why, Stupld, that's Coach William J. Waters."

I then sized this new dignitary up and down. He stood 5' 10" tall, had laughing blue eyes and red hair (by the way, that's why he is frequently called "Red"). He had an athletic build, that's for sure, but no wonder, he had won two letters in football and three in basketball while in high school.

Mr. Waters' favorite sport naturally is football and his main ambition, he says, is to become head coach. Mr. Waters is not only a coach but also teaches American and world history and government. He received his training at Central Michigan College of Education at Mount Pleasant.

Mr. Waters resides on Seven Mile Road. He has a daughter, Nancy Lynn, who is fifteen months old. His favorite dish is spaghetti.

Mr. Waters' hobby is photography and when he attends a movie his favorite stars are Tyrone Power and Virginia Mayo. His pet peeve is fifth hour study period.

Mr. Waters' favorite color is green and he says his favorite make of car is a Kaiser, but don't let him kid you, because he is just trying to be loyal to his old faithful. G. S.

Senior Highlights

This week's senior highlight is a five foot three inch cutie with greenish-grey eyes and dark brown hair whose name is Lois Wilder. Lois lived in Kentucky before she came to Michigan, and she was so close to the border line that she went to Pruden High School in Tennessee. There she attained the title of the school's "Valentine Queen" and was a member of the I-H Club.

Her favorite color is blue, especially that of a certain Mercury. Her favorite songstress is Georgia Gibbs singing "Kiss of Fire". Lois favors Audie Murphy and Ginger Rogers to all other stars. Just for kicks her favorite TV show is "Howdy Dooddy".

Her hobby is collecting miniature glasses in assorted colors. She has two pets, a gold fish and a turtle named "Inkie-Dark". She tries to swim and keep his head out of the water at the same time.

Lois has two sisters and a brother, Joyce, LeVine and James. Her pet peeve, she says, is having people kid her about being a hill billy.

Her favorite saying is "Ye gods! She has a part time job at the "Bible Nook" on Grand River. Lois likes to read Faith Baldwin's books and writes to servicemen as a pastime. As for sports, she likes softball, of which she says, "I don't play it, I play at it!" G. S.

Have you ever met a boy whose favorite color was not blue? I did, his name is Ken Pecklo, and his favorite color is maroon.

Ken tells me his favorite teacher is Mr. Kennedy but his favorite subjects is not physics, but plane geometry. Any-time you would like to take Ken out to dinner, he will order fish and chips and that "Delicate" is playing in the background.

Our senior highlight of the week was born July 3, 1935, in Detroit, Michigan. Ken came to Clarenceville in the latter part of his sophomore year from Port Huron, Michigan.

He plans to finish high school here and go on to college to study to be a dentist. Ken's pet peeve is "Teachers who are always complaining," though I have a feeling he should have waited until he was safely graduated until he voiced his senior pet peeve. J. T.

'UNITED FOUNDATION TORCH DRIVE'

"Help us to help others" is the plea extended to us by the third annual United Foundation Torch Drive that will begin in our city on October 14. This United Foundation was established to help the 151 worthy organizations in need of our help. I think we all know, but take for granted, the accomplishments of the United Foundation. We realize and many times are personally thankful of the discoveries and improvements in science and medicine.

Twenty years ago cancer and tuberculosis were fatal and ten years ago the wonder drug Penicillin was new and untried. Today many people with their dread diseases are given a new lease on life due to the improvements of medicine, through research made possible by contributions to the United Foundation Torch Drive. Research is not the only accomplishment of the United Foundation. Aid is also provided for unfortunate people of every age. Recreational facilities are offered to the youth of America, homes are provided for the aged, handicapped, ill and orphaned. The United Foundation extends this plea to us because they are fighting to win the battle raging on the home front. That battle is against sickness, poverty and depression. It is the duty of every American to help in the fight. We students may sit back and think, "My parents contributed and when I get older I will. They don't need my contributions now." That's where you're wrong. This is our battle too, as young Americans fighting to make our country even better than it is. The United Foundation's plea is directed to us now. Tragedy knows no age limit and we never know when we may be one of those pleading for help. So this year let's contribute along with our parents to keep the torch burning and emerge victorious in our home-front battle. It's up to you and me, the citizens of America, to help those who need our help by contributing to the United Foundation Torch Drive. N. M.

Requirements Are Set For Club Membership

At the pep meeting Friday the cheerleaders will introduce the pep club, which will be sponsored by the cheerleaders. The purpose of this club will be to help raise the school spirit, and to help gain publicity by putting up posters and various other ways to publicize the forthcoming games.

At the games the pep club will have a reserved section of the bleachers to sit in. On certain cheers they will help by holding cheer cards. This will help to get the crowd together on the cheers and they will be able to be better heard.

As in any school organization, there are certain requirements which have to be met. The pep club requirements are: you must have a C average or better, you must be in the seventh through twelfth grades, and the members joining this club must be willing to cooperate on anything that is set down for the club to do. The members will be selected on their school spirit, also.

If anyone, boys and girls, is interested, meet on Tuesday, October 21, at 4 p.m. in the gym bleachers.

TEACHERS' CLUB ELECTS OFFICERS, SETS PLANS

Monday, October 6, the Teachers' Club, which consists of the teachers from Clarenceville, Edgewood and Central Schools, had the first meeting of the year. This is the third year for this club, which meets the first Monday of each month. The aims of the club are to better social relations and to solve professional problems.

Elections were held and Mrs. Catherine Johnson was elected president; Mrs. L. Fox, vice-president; and Mrs. H. Burt, secretary-treasurer. Social events of the year were discussed and in the very near future the club plans to entertain the Board of Education.

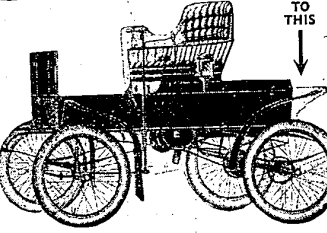

CHS Seniors To Present "The Chili Bean Jump"

The seniors will present the first dance of the year, "The Chili Bean Jump", on Friday, October 17, at 8:00 p.m. The gym will be decorated in Mexican style with all gay-colors and sombreros. Chili will be served in Room 108, which will be fixed to look like a small Mexican cafe. Music will be furnished by the recordio and new records will be purchased for more enjoyable listening and dancing.

DEBATERS ATTEND U-M DEBATE MEET ON OCTOBER 11

The University of Michigan in Ann Arbor held its annual Debate Day October 11 at the Rackham Lecture Hall. Clarenceville High School and 42 other schools in Michigan attended, included were 320 students, of which 30 came from Pontiac High School and 100 from the greatest distance traveled by a man representing the East Tawas High School.

Arriving in Ann Arbor at 9:30 to register with Miss M. Richardson, debate coach, were Annie Allan, Lela Benton, Ellis Grace, Meribah Meyer, Sharon Moreland, Pat Storti, Joyce Timlarke and Dargary Westlake. The students were given a symposium of the high school debate question: Resolved That the Atlantic Pact Nations Should Form a Federal Union. Let's they were allowed to ask the panel questions on the question discussed.

Following noon lunch, four University students gave a demonstration debate on the high school question and the affirmative team won. After this debate the audience questioned the demonstration debaters on points brought out and all were adjourned for this year's Sixth Annual Debate Assembly. J. G.

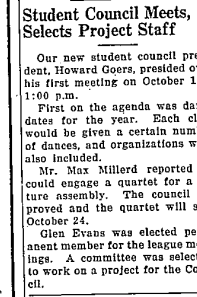

Student Council Meets, Selects Project Staff

Our new student council president, Howard Goers, presided over his first meeting on October 1 at 1:00 p.m.

First on the agenda was dance dates for the year. Each class would be given a certain number of dances, and organizations were also included.

Mr. Max Miller reported he could engage a quartet for a future assembly. The council approved and the quartet will sing October 24.

Glen Evans was elected permanent member for the league meetings. A committee was selected to work on a project for the Council.
