to their policy of being against the working man."
Others were elected by the packed gallery when they made similar statements.
The payoff came when Senator Robert E. Feulken, Republican chairman of the Senate labor committee, read a letter from State Chairman John Feikens. "Boiled down, it denounced the bill and said:
"The 'right to work' bill is not Republican party policy. The Republican party is not now and never has been in opposition to the working man."

On May 24 the Springland Civic Association held a business meeting at the home of Mr. and Mrs. William Ward on Springfield Drive.
The group tabled any action on the general cutting of weeds and also voted to table action on speed limit signs. Instead, it was proposed and agreed upon to erect signs saying "Children Playing, Go Slow." When the east is known, it will be split between members of the association.
A campaign was suggested and agreed upon in hopes of putting down the speed of cars traveling in the subdivision. It was also suggested that members advise visiting guests of the campaign.
The men of the association are forming a card club. The first meeting will take place June 17 at the residence of Mr. Wesley Mitchell on Springland Drive.
The association will convene on September 14 at the home of Mr. and Mrs. Lawrence Evans on Ridgeway Drive.

line in this vast thought-shaping campaign is shrewdly calculated to engender hate against America and the American capitalistic system.
There is being built up towards this country—old, hoodlums, scientifically, efficiently — a terrible force of deadly burning and malignant hatred that at the will of its creators may be unleashed as an avalanche of the greatest murdering force the world has ever seen," said Dr. Schwarz.
"If there is one priority more desperately urgent than any other, it is books — clean, books, well-printed books, books that tell the truth about your country, about its wonderful record, about its love of freedom, about its peaceful heart. They should be made available to the students of Asia and the world as well, at as small a cost as those provided by the Communists. No man's judgment is any better than his information, and facts do not speak; it's only when those facts are known that they speak."
"You have every right to be proud because you're citizens of a country with a record of freedom, prosperity, brotherliness and generosity, both internally and externally; that no other land can equal. The facts are superlative. But they're not known. Your story should be spread around the world. Instead, the people of the world are hearing the Communist version which presents the lie as truth, and creates a vicious burning, malignant hatred."
Yes, we are engaged in a titanic battle for men's minds. And in the minds of our youth the tide of battle will turn. Not only is it necessary to spread worldwide the truth about America, it is even more urgently necessary that our own youth know these facts and thrill to their incomparable advantages under the stars and stripes.

has made plans for a family picnic to be held June 4 at 4 p.m. at the Farmington City Park. In case of rain, the get-together will be postponed until the following Saturday, June 11.
Chairmen for the picnic are Mrs. Henige, Mrs. Simons, and Mrs. Waunit.
Myron Archambault of Ridgeway Drive spent a week end recently at Boy Scout Retreat with Scout Troop 110. The retreat was held at the Howell Scout Reservation, an established camp for Boy Scouts. Two thousand Scouts from troops located in Oakland and Wayne Counties assembled at the reservation to worship together.

On June 9, Mrs. D. Garrison of Springland Drive will hold a stock shower. Mr. and Mrs. Garrison's daughter, Mrs. Beatrice Veary, will be guest of honor.
On May 21, Mr. and Mrs. Robert Robertson of Springfield Drive entertained Mr. and Mrs. John G. Robertson and family from Royal Oak and Mr. and Mrs. J. Viers of Detroit.
Last week end Mr. Robertson, accompanied by two friends, traveled to Paradise, Michigan, which is located in the Upper Peninsula, to do some fishing.

Mrs. Delina Archambault from Royal Oak visited last week with her son and family, Mr. and Mrs. Edward Archambault of Ridgeway Drive.

To test your memory, try recalling some of the things that worried you off last week.
