The Falcons of Farmington Edge Port Huron Cagers, 63-61

The Farmington cagers once again showed the value of hustle and aggressiveness in registering their second straight victory over Port Huron, last Friday night. Though outmanned on the boards, the Falcons were still able to screen out their opponents and pick off rebounds at many key moments during the game. Farmington was ahead for most all of the first half and led a commanding 14 point lead with only three minutes remaining in the half. But a strong Port Huron rally cut the Falcon lead to 31-29 at half-time. Neither team could pull away during the third quarter and the Birds had a 50-47 edge going into the final stanza. Shooting their charity tosses on a "one and one" basis for most of the last quarter, the Falcons fouled Farmington's free throw line and forced the outcome of the game right down to the buzzer. Frattling by two points with five seconds left, a Port Huron player missed a game-

NFHS Reserves Earn Gridiron Championship

Once again the junior varsity football team has posted a fine season. Coach Herrington has produced a championship team for three years in a row. Our junior varsity squads are undefeated in conference combat. Coach Herrington's work has shown itself in the last two varsity seasons as his players leave for the varsity with a lot of experience under their belts. Hard work is the key to their success. Like the varsity they contribute hours of strenuous activity in preparation for the big games. It payed off this year as they had an impressive 17 record. Raider Gymnastic Team In Quest of State Crown

The 1965 Gymnastics Team, composed of 22 members, will begin its quest for the state championship January 9 as they play host to Allen Park. The returning seniors are Art Marclan, Tom Mackay, Randy Hernandez, Chuck Bars, Mike Maloney, Bob Linderman, and Jim Listerman, our state champ. After the first set, eight juniors, Gary Acielli, Jim Mette, Norm Holton, Bob Kainz, Dave Slueter, Skip Kirk, Gary Here, and Greg Licht return to pace the Raiders. Coach Shilling has selected seven sophomores to retain future talent for gymnastics at North Farmington. The sophomore prospects are Wayne Hildebrand, Tom Wimberty, Roger Schanzmann, Bruce Davidson, Ron Bacon, Ray Smith, and Jim Prain. Brooks Slover and Marshall Slueman are helping Mr. Shilling act as managers for the season. Fifteen gymnasts will dress in each meet. Three men from each school will participate in the eight gymnastics events, free exercise, sidehorse, horizontal bar, parallel bars, still rings, long horse vaulting, tumbling, and trampolines. A gymnastics meet requires from 1 1/2 to 2 hours this year. The Gymnastics Team offers its invitation to each and every student to attend their performances. Every Friday there will be an intrasquad competition held by the gymnastics squad. The better performers will participate in the meets on Saturday. The student body is welcome to attend the Friday meets at 6 o'clock.
