Kresge's Chet Pawlik
Meet Your Merchants

Chester J. Pawlik is a young man who decided on a specific goal early in life and has stuck right to his decision. Chet is manager of the S. S. Kresge store in the Farmington Plaza. He started with Kresge at the age of 16 and has been with the organization ever since. Now 30, he is manager of one of the largest and most modern Kresge stores in the great Detroit area.

Born in Saginaw, Mich., Chet attended St. Joseph High School there and participated in "all sports" while at school. He is a fan of basketball and baseball. Being 6' 3" it is understandable that he was one of the stalwarts on the school basketball team.

It was at St. Joseph High that Chet met the girl he later married. He and his wife, Ruth, now have three children: Alice Marie, 7; William S. and James six months. Alice and Bill attend the Shiawassee School.

His employment with Kresge began in 1946 when he went to Kresge's store in Saginaw. In 1951 he was transferred to the Muskegon store as assistant manager. Fifteen months later he moved to the Gary, Indiana downtown store also as assistant manager.

Chet spent three years in this store and then moved across town to the new store opened in the Village Shopping Center.

Two and one half years later he was named manager of the LaPort, Indiana store. His present assignment began in October, 1959.

The Pawlik's live at 22229 Ullac, Farmington and enjoy their surroundings very much. The family has relatives and friends both in Detroit and Pontiac and have taken the opportunity to renew old ties that have lapsed while they were in Indiana.

Chet is optimistic about the business potential both of the store he manages and Farmington in general. He feels the area is just beginning to grow.

Middlebelt-Shiawassee Girl Scout Activities

The February meeting of the Middlebelt-Shiawassee Girl Scouts was held at the home of their chairman Mrs. Louise Martin. Following the usual coffee break the meeting began with minutes of the last meeting read by secretary Maureen Godley. The leaders reported the activities of their groups as follows:

Brownie troop 224 lead by Mrs. Somers and Johnson have been busy with their craft work which included valentines for their friends and one for Mother and Dad. They made doll hats out of washcloths and also made hats out of newspapers, for their own use taught by a newspaper man and exactly as they are worn in the newspaper office. These girls are practicing their part of the approach Girl Scout Birthday Party which consists of action songs, a newspaper man and exactly as they are worn in the newspaper office.
