The Orioles and the Indians occupying first and second place in the North Farmington Little League a week ago met in two games this past week, each winning one. S. Farmington 'Ruth' Opener This Saturday

Continuing its baseball program for many years, Farmington Baseball for Boys has its Babe Ruth League (13 thru 15 year olds) opening day this Saturday June 18.

This season the league has been expanded to include two additional teams, bringing the league to six teams. The boys responded to the call for players a few weeks ago. The new teams have adopted the names of "Pirates" and "Senators".

The Giants managed by Carl Johnson, the Dodgers managed by Bill Barber, and the Red Sox managed by Jack Rickard. Wally Christenson, vice president of Farmington Baseball for Boys and head of the Babe Ruth League, and Doug Sutherland, the Players Agent, have arranged opening day festivities, and urge everyone to bring a picnic to the Longton High School field on Silver Lake to witness the ceremony and the three games to be played.

Promply at 12:45 the big ceremonies will begin. The dignitaries of the City and Township will be present as well as the league and baseball organization.
