

JC Auxiliary Makes Toy Bags

Toys play a very important part in the lives of the children at the Plymouth State Home and Training School. For that reason the Farmington Junior Chamber of Commerce Auxiliary wanted to make individual bags for the children's toys. Heavy, durable material was purchased and distributed among the Auxiliary members, at the Plymouth State Home and Training School. Farmington Oaks

EDNA MOSLEY 474-2410
 The Oaks had a sneak preview on two new model homes this past weekend. The residents are happy to see such lovely homes being built and feel that they will help make this suburb an attractive place to live.

The little girls in the suburb thought this was a wonderful place to live last Saturday. Nancy Guyette, who was six years old on Wed., April 3, had her birthday party Saturday afternoon. It was a lovely day and the little girls, with faces scrubbed and hair brushed smooth, arrived in their favorite party dresses for lunch, games and all the fun that goes with a party.

SOMETHING NEW HAS BEEN ADDED to the Farmington scene as last Saturday members of the newly organized Farmington Optimist Club planted their sign on the grounds of the Botsford Inn where the group meets every Tuesday evening. Shown above are (L. to R.) Farmington Optimist Club President Fred Samra and Club Directors Royce Norton, Harry Tinkle and Dick Morgan.

News From Briar Hill

FRANCES MANN MA. 6-5946
 Americans are proud of their country, but every year the practice of flying a flag from the top of Briar Hill Association board of directors would like to do something about this in our area.

daughters from Wayne, Pa., a suburb of Philadelphia. They toured Greenfield Village and Kensington Park as the weather was so pleasant.
 THE SOUTHERN Seas bowling team participated in a tournament at Brentwood in Livonia last Sunday. Those playing were Casey Arkesteyn, Shel Hedges, Jim Moreen, Bob Scott and George Nauman. The wives were on hand for support and then all the couples gathered at the Nauman home for a pot luck dinner featuring a turkey leg provided by the league play. They didn't know whether it was a consolation or victory dinner.
 Cindy Sloane was fourteen on the first of April and had a party celebration on the fifth. Bunny Stephan, Roy Dunivan and friends from Duncel kept the girls knocking on doors and asking for items for a scavenger hunt.
 All children from 2 to 3 should gather at Ravenscroft and Northwick this Saturday at 11 a.m. for the annual Briar Hill Easter egg (and snake) hunt. Be sure to bring your own basket or bag.
 HAVE YOU SEEN the menu for the spring dinner dance: shrimp cocktail, relishes and rolls, chef salad, chicken à la Kiev, duchess potatoes, green beans almandine, parfait and beverage. Sounds delicious and for \$12 per couple you can also dance to the music of the 1940's. Tickets may be purchased from Ted Kishnans, 30041 Briarston, and please—before May 5.

Springland News Briefs

FRANCES EVERT GR. 4-9278 CAROL SMITH GR. 4-8185
 The Springland Friendship Club made 180 Easter baskets for the children at the Sarah Fisher Home. A special thanks goes to our favorite milkman, Don Gramer, and to Mr. Tedd Miller, Road A, and P. Store, for their very generous contributions. Also to the women in the subdivision who gave their time and materials for a worthy cause.
 Heartfelt sympathy is extended to the Walker family of Lu Muera Drive on the recent passing of Mrs. Walker. The family requests that instead of flowers, donations be sent to the Cancer Foundation. Several groups and individuals in the subdivision have contributed and anyone else interested in donating may still do so.
 CANCER PAD SEWING will be held next Wednesday evening at Carol Smith's. White material is still urgently needed.
 Mr. Raymond Mallon of Springfield Drive was recently promoted to the position of Assistant Chief Engineer for WBBT, Television Station in Detroit.
 A family dinner was held last Sunday at the Love home on Springland to celebrate Janet's eighteenth birthday, which was April 6. Belated greetings also to Dorothy McClutcheon whose birthday also falls on the sixth of the month.
 Mildred Boucher, formerly of Springland, announced from her home in Grosse Pointe Woods last Thursday evening to accompany Betty Evans, Mary Schoun and Frances Evert in attendance to the Town Club Fashion Show. This is the eighth consecutive year the group has attended the annual fashion show.
 PAT ANDERSON of Springland Drive entertained the ladies of the Pinocchio Club at her home on Wednesday, April 3.
 Belated birthday wishes to Pat Neutra, Brad Smith and Becky Ashdown, who celebrated their birthdays the last part of March.
 Complaints are being received by residents, concerning children trespassing on the lawns going to and from school. It is requested that the children use the subdivision roads to walk on. Some damage to trees and shrub has been reported. Dogs are also becoming a spring problem again. All dogs are supposed to be kept confined to the owners' property.

So every family is being offered the opportunity to buy a 3' x 1/2' flag 6 foot pole with bulb attached and a Michigan pennant—all for the very nominal cost of \$2.00! This is not the full price as part of it is being subsidized by Association funds and Thompson-Brown. It is a terrific buy and it is hoped everyone will avail themselves of the opportunity. Jim Moreen will be happy to take your order—626-6507—or contact your area director or an officer of the Association.

IMPORTANT DATE for teenagers to mark on their calendar is June 14. The Women's Auxiliary of the North Farmington Little League is working on plans for a day of service with other than Joel Sebastian as guest host. More details later.
