AAUW Again Seeking Books

AAUW is again collecting books for the Annual Book Sale to be held in the fall. As you clear out your book shelves during spring house cleaning you set aside those you have outgrown, or do not care to read again, or have no room for?

Old encyclopedias, sets of books, children's books, novels, science, religion. Someone is looking for just what you have. These discarded books will serve two purposes. They will bring pleasure to the buyer and they will add to the AAUW Fellowship Fund to enable exceptional women scholars to take advanced studies.

The Farmington Public Library also benefits. THE LIBRARIAN selects from

donated books those needed for the library shelves and the library also receives a portion of the sale proceeds to buy new books. Books may be brought into the library or Mrs. Mills, GR. 4-3775, will arrange for someone to pick them up.

LADIES STEP FORWARD

BY JEAN

To some extent the shape of the face can be changed by shaping the eyebrows. Many women are inclined to treat the chore of brow-plucking quite carelessly; this should be done with care.

First, use a commercial preparation, hot towels or alcohol to open the pores. Stretch the skin with the fingers and pluck firmly, one at a time, in the direction the brows grow.

Finish off by applying pads dampened with witch hazel to the plucked area.

Let's forget eyebrows for the moment and speak of woman's crowning glory, her hair. Any and all hair problems can be beautifully solved where beauty is by design and not by accident—at JEAN'S BEAUTE BEAUTY SHOP, 24109 Orchard Lake Road. Make your appointment today. Phone GR. 4-7810.
