Seek Managers For 5 Teams In Colt Loop

The Colt League of Redford Township is looking for five teams with players in the 15- and 16-year-old class.

The league is scheduled to open July 2, but more than 100 teams will be without baseball this summer unless the managers are secured within the next few days.

The fields have been reserved, equipment and umpires are ready for June 2 but teams need managers and without managers there won't be any teams.

Anyone desiring to help the youth of Redford Township is requested to contact Ray Bethwell at KE 1-0883.

SS Has Tips For Parents of Retarded

Harry Baltuck, manager of the District Northwest district office said Monday the Social Security office now has available a leaflet on "Social Security and What It Means for the Parents of a Mentally Retarded Child." This leaflet is free and available at any of the offices.

The leaflet points out that an increasing number of social security beneficiaries who are mentally retarded now outlive the parents on whom they have always been dependent.

By mid-1964, the leaflet states, at least half of the estimated 114,000 retarded adult beneficiaries receiving social security payments were over age 35. Some were over age 65.

The leaflet explains that a child may become eligible for social security benefits when one of his parents receives social security retirement or disability benefits, or when one of his parents dies. But if the child is disabled at the time he reaches 18, his benefits continue for as long as he is disabled—which may be for life.

In many cases, Baltuck stated, a person who has been disabled since childhood becomes eligible for social security benefits in middle age or later when one of his parents who has worked under social security retires, becomes disabled, or dies.

To get a free copy of the leaflet "Social Security: What It Means for the Parents of a Mentally Retarded Child," contact the social security office at 18500 Grand River by telephone, letter or personal visit.

The telephone number is 272-0650 and the office hours, Monday through Friday, are 8:30 to 4:30 p.m.

A man may be the architect of his own future, but he still can't get the sun in every room.
