Ford Motor Expands Youth Safety Plan

Expansion of its Youth Safety Spokesman program to include the newly-crowned National Safe Driving Auto Road-EO champion and five top contest finalists was announced today by Lincoln-Mercury Division of Ford Motor Company.

Frank E. Zimmermann, Jr., division general manager, said that a management of the six teenage driving experts brings to the number of ambassadors of motor safety who will appear before audiences throughout the nation during the next 12 months. They will have speaking opportunities with Miss Teenage America, Collette Duhaie of Parma, Ohio, and her court.

The Road-EO title was awarded in Washington, D.C., June 1, 1966, to Terry Hall, an 18-year-old high school graduate from DeLand, Fla. The champion girl contestant was Linda L. Logan, 18, of Atlanta. The other top finalists selected for the safety campaign were Robert Rowley, 18, of Silver Park, Pa.; Paul Tschir, 18, St. Paul, Minn.; Donald Johnson, 17, Denver, Colo.; and Lynn Thompson, 17, Dallas, Tex.

"During the past four years Youth Safety Spokesmen have visited virtually every major city and in 1966, Miss Teenage America alone will travel more than 250,000 miles," Zimmermann said. "The heightened interest in traffic safety and the favorable response of our past efforts has generated far more requests than we have been able to accept."

"Addition of our six new Youth Safety Spokesmen means that we are having the potential to double the number of persons who can be reached with a very effective and personal driver safety tips message."

State Police Make 19,133 June Arrests

Michigan State Police officers made 19,133 arrests in June, 7,263 of them for traffic offenses and 1,868 on criminal complaints, according to the department's monthly activity report.

In addition, 740 juvenile traffic offenders were arrested and 360 delinquent and 4-wayward minors apprehended.

Troopers assisted 6,733 motorists, investigated 9,538 cars, issued 92,627 oral warnings to drivers, and made 13,008 property and 2,181 liquor inspections.

Department vehicles traveled 3,896,500 miles, 1,077,375 on traffic patrol and 816,925 to investigate criminal and other complaints.

The identification section received 15,433 sets of fingerprints which 8,609 were criminal and 6,824 non-criminal.

Of 1,491 applicants for permits to carry concealed weapons, 181 were identified with criminal records through their fingerprints.

Schoolcraft Plans Orientation Sessions

Orientation sessions for freshman students began this week on the Schoolcraft College campus as college officials set in motion procedures leading to the registration of an expected 2,800 students beginning Monday, Aug. 29, and the start of classes for the fall semester on Thursday, Sept. 1.

Divided into groups of approximately 200 each, freshmen were assigned to one of six orientation sessions scheduled for Monday, Wednesday and Friday mornings and afternoons.

According to Registrar Norman E. Dunn, a pre-registration information packet has been mailed to all Schoolcraft students, including freshmen who have been tested and counseled. The packet includes a schedule of fall semester classes explaining registration procedures, the name of the student's faculty advisor and a pre-registration appointment time and date with the advisor.

A page is provided in the class schedule to permit the student to prepare a tentative weekly class schedule.

Registration will start at 1 p.m. Monday, Aug. 29, and continue through Wednesday, Aug. 31. Students enrolling in five day classes or planning a combined day and evening program must register in person, Dunn explained.

Students enrolling in evening classes may register either in person or by mail. Evening class students who have been counseled will receive in the mail information on how to register, Dunn said.

The registrar added he anticipated a fall term enrollment of approximately 1,800 day college students, an increase of about 300 from last

Sponsor Picnic For Blind

Lion President J. Sirogan announces that the Lamp-lighter Lions of Livonia will participate in the Lions Blind Picnic, to be held on Aug. 23, at Fern Field, Ingham and Hines Drive.

200,000 to View State Fair March

An estimated 200,000 spectators are expected to line Woodward in downtown Detroit for the Grand Opening parade of the 117th annual Michigan State Fair.

The parade will be held at 8 p.m. Thursday, Aug. 25. In previous years it has been held on Friday night, but the Fair's opening has been advanced to noon Friday, Aug. 26, pushing the parade back to Thursday night.

Always popular with young and old alike, the parade will be bigger than ever this year, with more than 150 units taking part.

Featured will be bands, drum-and-bugle corps, drum majorettes, horses, and open carriers carrying beauty queens.

Units from the Armed Services will be on hand, along with the Air Force showing off a Bomarc missile. Other governmental units and various industries will have floats in the parade.

Blatnik printing groups, dance schools, and drill teams made up of high-school girls all will take part. The parade is intended to give crowds a small taste of the Fair itself, which runs this year until Monday, September 5 (Labor Day).

Michigan was the first state in the nation to have an independent Department of Education with its own administrator. It was established in 1837.
