Bowling Teams To Start Soon

Monday, October 2, bowling began at the Farmington Recreation alleys. The teams and substitutes were taken care of in the last meeting, September 27. This year the bowling team was fortunate in having the chance of belonging to the National Junior Bowling Congress, instead of just bowling for their own pleasure. In the near future, just will begin for the girls from grades nine through 12, who would like to participate. A few high school girls have been helping Miss Meyers in each of her classes. These girls are greatly appreciated for their time and talent, for it requires giving up a study hall or some other extra classes. Some of the girls are Donna Vader, Lois Robbins, Lee Chandler, Joan Giguere, Joan Melton, and Anne Allan. D. G.

They elected class officers, the results being: Doug Gault, president; Eddie Grim, vice-president; John Falor, secretary; and Ray Wellman, treasurer. The representative of the firm from which the Juniors will order their rings was here Wednesday. A committee of five Juniors, together with Mrs. Mummery and Mr. Kennedy, selected the particular style of the class rings. SOPHOMORE CLASS The Sophomore Class held a home-room meeting Wednesday, September 27. They elected a new student council representative, since Ralph Gault was elected president of the class while he was still a member of the council.
