VOL. XXX No. 41.

FARMINGTON, MICHIGAN, FRIDAY, AUGUST 11, 1916.

\$1.00 A YEAR.

WERE MARRIED AT FENTON

Elton B. Austin, Our New Grocer

and Helen Hoover Made Man and Wife.

The following taken from the Fenton Independent, refers to our new groceryman and wife, who were united in marriage Wednesday August 2, 1916:

"A very pretty but quiet home wedding took place yesterday evening at the residence of Mr. and Mrs. Henry Hoover, when their younger daughter, Miss Helen, became the bride of Mr. Elton B. Austin, of Farmington.

"Promptly at eight o'clock to the strains of Lohengrin's wedding march, played by Mrs. L. A. Pratt, the bridal party took their places in the living room beneath an arch twined with green and white. The ceremony was pronounced in the presence of the immediate relatives, Rev. W. B. Collins, the officiating clergy, using the impressive rite service. Miss Fay Adams, a friend of the bride, attended as bridesmaid, while Merle Austin, brother of the groom, acted as best man.

"The bride was prettily gowned in a simple creation of Georgette crepe over white chiffon taffeta with point lace trimmings. The bridesmaid wore a gown of cream net with pale green chrysanthemum trimmings.

"After the ceremony, a dainty wedding luncheon was served in the dining room, where a beautiful color effect was carried out in pink and white.

"The bride comes from one of the best families in this village. She is a graduate of Fenton High and of Cleary College at Ypsilanti. The groom is the son of Mr. and Mrs. B. J. Austin of Argentine and is well known here, having spent four years of his high school career prior to his graduation, in this place. He is also a graduate of the Ferris Institute at Big Rapids. They have the best wishes of a host of friends. The happy couple will be at home to their many friends after September 1 at Farmington, where the groom is proprietor of a grocery store."

Mr. and Mrs. Austin will occupy the rooms over the store.

We have it on good authority that Mr. Austin is a hustler, always ready and willing to accommodate and if present indications are authority he will undoubtedly make a success of the business purchased from Mr. White.

The Enterprise wishes them the greatest happiness and success to the fullest extent, not only in their married life, but in their business as well.

FROM OUR EXCHANGES

News Items Taken From Other Papers in and About the County.

If you are short of ice, keep a "cool one" ready for the ice man and then you needn't worry.—Northville Record.

E. F. Dudley drove to town Monday morning and when he got to the Bosworth store his horse dropped dead.—Redford Record.

According to press reports, Fenton stands a good chance of losing its primary school money this year, amounting to between \$5,500 and \$4,000, for employing one unqualified teacher for a period of four months.—Holly Herald

Proprietor Edward Huyck of the Walled Lake hotel has to answer a complaint made by A. E. Cheeseman of unbecomingly pointing and aiming a gun at complainant. The scrap arose over the joint ownership of an ice house. The examination was called for Tuesday morning but was continued for two weeks.—Milford Times.

Last Wednesday afternoon while returning from Livonia a rig occupied by Rev. C. Strasen and two children collided with an automobile driven by Frank Wilson of Livonia. The frightened horse jumped into the ditch, overturning the carriage and throwing the occupants underneath. The children were bruised and Rev. Strasen sustained painful injuries about the chest.—Plymouth Mail.

Every dollar that the state of Michigan puts up for new cement or other approved modern roads, the U. S. Government puts up another dollar. Then comes the county donation under the Covert law and it would seem to be a very short-sighted individual taxpayer who objects to road improvement along his frontage, when it will cost him less than thirty per cent of the entire cost and he will have ten years to pay it in. The argument is used that the roads are too good now and that, as a consequence, it is not safe to ride or drive over them. Then why not go back to the old corduroy and toll roads? Think of it between here and Detroit!—Birmingham Eccentric.

Change in Primary Election.

Changes in the primary law cause a return to the old plan of a separate ballot for the candidates of each political party, but the party enrollment feature has been repealed, and "any elector who is legally registered and qualified" may apply for and receive any party ballot for which he asks.

Under this law voters will not be restricted to the use of the primary ballot of the party with which they were last affiliated, but may support the candidates of any party they choose at any primary election. It will be impossible, however, for one to "split his ticket" at a primary election, for they will be furnished only one ticket, on which only the candidates of one party will appear. Therefore they cannot vote in the primary for a republican incumbent governor, a democrat for sheriff or clerk and a prohibitionist for treasurer. It will be up to each voter to decide from which party ticket he will select candidates.

Visiting cards printed or engraved.

We have received a quantity of state fair tickets for sale at 35 cents each, or three for \$1.00. The regular admission to the fair is 50 cents. These tickets will go at 35 cents each, while they last.

Free children's tickets for the state fair, good for Children's Day, September 9th, can be obtained by any boy or girl, 12 years or under, at the Enterprise office.

Not Seen In Farmington.

The Detroit and Pontiac papers of last Friday night and Saturday morning contained reports of the passing through Farmington and Novi of the bandits who robbed the Burrows Adding Machine Co. pay car in Detroit last Friday afternoon.

Although the car containing the robbers may have passed through here, we have been unable to find anyone who even intimates that he saw them.

'One Detroit paper telephoned us Friday night, asking for information, and despite the fact that they were told that no one in Farmington had seen what appeared to be "fleeing bandits," printed an account of their passage through here and turning at Novi toward Walled Lake.

Nothing has as yet developed toward the capture of the robbers; and they seem to have covered their trail effectively.

Journeyed to Detroit

About 50 men of this village went to Detroit Monday evening to meet and hear the speech of Charles Evans Hughes, of New York, Republican candidate for president of the United States, who spoke at the opening of the national campaign in Arcadia hall and at the Armory to immense audiences.

The Farmington delegation met at the Statler hotel, where they were joined by others of the Oakland County Lincoln club, about 300 strong, and headed by the Pontiac band, marched to the Armory, where chairs were reserved for the club members.

Mr. Hughes, who appeared at 9:15, was given a big ovation as he entered the hall, and was loudly cheered many times during his speech, which was short and to the point.

A severe electrical storm accompanied by a terrific downpour of rain alleviated the intense heat of the day, and the ride home was made delightful until the special car reached a point near Clarenceville, where no rain had fallen. The air, however, was much cooler, and the trip was thoroughly enjoyed by all.

Political Notes.

Republican county convention will be held at Pontiac September 12th, to elect 34 delegates to the state convention at Saginaw September 28th. Farmington is entitled to three delegates and Novi two.

In the refusal of Gov. Ferris to run for a third term there is much sound judgment. He will retire with the confidence of the people of Michigan. Gov. Ferris has been one of the few capable, energetic, patriotic and wholly sincere executives of our state.

Judge George W. Smith, of Pontiac, in reply to an open letter recently, intimating that he would not be a candidate for reelection as circuit judge at the election next spring, declares he has made no announcement as to his intentions, and says "there is abundant time after the November elections to discuss the judgeship" of the Oakland circuit.

J. Arthur Tillson, candidate of the Republican ticket for the nomination of Prosecuting Attorney of Oakland county, called on the Enterprise Wednesday afternoon, while campaigning in this vicinity. Mr. Tillson is a clean cut man, who, we are told, "has fought his way up from the bottom." He has practiced law in Pontiac for a number of years, and has made good.

Assistant Prosecutor Gillespie Has Made a Good Official.

Is Now Acting for Prosecutor Doty.

The many friends of Glenn C. Gillespie, of Pontiac, throughout Oakland county will be pleased to learn that he has decided to seek the Republican nomination for Prosecuting Attorney at the primaries next month. He is at present assistant Prosecuting Attorney, a position which he has held for the past four years, during which time he has assisted in the handling of over three thousand criminal cases. For the past few weeks he has been in full charge of the work of the office during the absence of Prosecutor Frank L. Doty.

Mr. Gillespie is 31 years of age and is a most good in the legal profession. After attending the Romeo and Oxford high schools, he worked as telegraph operator for the Michigan Central Railway for five years, resigning that position to enter the University of Michigan, completing the law course in 1910, having since been practicing in Pontiac.

Mr. Gillespie's wide experience in his four years' connection with the prosecutor's office particularly adapts him for the position which he seeks. He has been a trusted assistant to Mr. Doty in some of the most important cases that were ever on the court books in this county, and is every way fully qualified for the position which he seeks.—Holly Advertiser, July 13, 1916.
