The Michigan crop report for September states that potatoes will be about a normal crop in the state this fall. If this be true, other sections must do a whole lot better than this.—Holly Advertiser.

Friday evening, September 22, the council will hold a meeting to discuss the sewer question. It means an outlay of over \$100,000. It calls for \$55,000 at once. It's a lot of money and the taxpayers should turn out in a mass and voice their sentiments on the matter.—Redford Record.

William Sheffer, a Hamburg store-keeper, was robbed of \$10 in broad day light last week in the following manner. Two strangers drove up in an automobile, one of them came into the store and

bought 55 cents' worth of cigars, laying down a ten dollar bill. When Will produced the change the stranger grabbed both the change and the ten spot and made a run for the car which was off in an instant. Will took a shot at them but they had gotten too much of a start, and they made their get-away.—Brighton Argus.

South Lyon kids are some kite flyers. Wednesday young Irving Wilson got his big kite up at about six o'clock in the morning and when school called he tied it to a post and it flew very steadily until about 11:15 or about 15 minutes before school closed at noon. He got his kite back intact but the two balls of twine attached to it were hopelessly entangled in the trees and wires about town.—South Lyon Herald.

Enterprise liners—they pay. Bring in your old car and drive home a new Saxon. W. H. Lee & Sons, Farmington

HAPPY EVENT AT REDFORD

Will Ely and Miss Mae Dewey Married Wednesday Evening.

A happy event occurred at the home of Mrs. Esther Dewey in Redford at 8 o'clock Wednesday evening when her daughter, Miss Mae, was joined in wedlock to Charles William Ely, of this village. Rev. Evans, pastor of the Redford Presbyterian church, performing the ceremony.

The knot was tied beneath a pretty arch of pink and white, trimmed with autumn leaves, the bride being attended by Miss Alma Ely, sister of the groom, while Ralph Leply acted as best man. Ruth Melow and Ivan Ely were ring bearers, and the ceremony was witnessed by about 40 relatives of the bride and groom.

The bride was gowned in white pussy willow satin with pearl and silver lace trimmings, and carried a bouquet of white roses and a shower of pink rosebuds, while the maid of honor wore pink satin and carried pink rosebuds.

Following the ceremony a two course supper was served in the dining room, which was trimmed in pink and white, with carnations and asters prominently displayed. A novel and pleasing feature of the occasion was the two guests of honor, Mrs. Hutton, grandmother of the groom, aged 87 years, and Mrs. Dewey, grandmother of the bride, aged 91 years.

Mr. and Mrs. Ely have the well wishes of a host of friends here and at Redford, where both are well and favorably known. They will be at home to their friends after October 1st, at the residence of Mr. and Mrs. Clarence Bicking on Oakland Road.

RUN OVER BY AUTO

"Bill" Shaupter Had a Narrow Escape From Serious Injury Last Saturday.

Last Saturday afternoon about 5 o'clock as "Bill" Shaupter started to cross the street in front of the Owen House he was run over by an automobile.

"Bill" ran in front of a street car and stumbled, falling to the ground directly in front of an auto driven by a lady, and before the car could be stopped the wheels passed over his legs.

He was picked up by Dr. Miller in his auto, and taken to the home of his father, where it was found upon examination that no bones were broken, and "Bill" was not seriously injured, although quite badly bruised.

He was around town again Monday, declaring he had a narrow escape, and although sore and lame he will be all right in a few days.

"Bill" says it's worth something to find out how many friends he has, averring that most everybody in town had called on him since he was hurt.

Around the County

Mrs. A. C. Prentiss, a Milford woman charged with "false and malicious accusations" against the Milford State Bank, was adjudged guilty on Friday and paid a fine of \$25 and costs. Mrs. Prentiss placed cards in her restaurant window criticising the bank, and claiming dishonesty in their transactions with her, daring the bank officials to have her arrested if her statements were untrue.

Forgive Ye Scribe.

Two errors last week to be corrected. The item reading that Mrs. Alice Way was entertaining her sister Mrs. Thayer should have read her sister, Mrs. Frank Parsons. The other error occurred in the item reading that Miss Phoebe Ryder, of Northville, was the guest of sister, Mrs. George Ryder. It should have been Miss Phoebe VanSickle. We promise to do better hereafter.

Several cases of scarlet fever in Holly, and there is talk of closing the schools.

D. U. R. to Have New Freight Shed in Detroit.

Officials of the D. U. R. lines have announced that the old freight shed at the west side of Congress and Fifth street will be vacated, and a new one erected for in bound and out bound freights on the property recently acquired by the company, bounded by Macomb and Monroe, Dequindry and Chene streets—on the east side.

The new structures will cost \$1,000,000, and will provide all modern improvements along this line of work. The site of the new freight terminal is now occupied by the D. U. R. repair shops. These buildings are to be torn down and new ones erected as soon as possible. It may of interest to know that the Detroit United lines have 43 motor cars, 31 trailer cars, 4 locomotive and two cabooses engaged in handling its freight traffic.

Last year the gross earnings were approximately \$800,000 from freight business. The express freight cars are operated mostly at night, making 34 schedule trips daily into the territory surrounding Detroit.

RUN SPEAR THROUGH HAND

Tommy Botsford Suffers Painful Accident While Hunting For Frogs.

A peculiar and very painful accident occurred to Tommy, the young son of Mr. and Mrs. Rosby Botsford last Sunday, when a companion ran one of the tines of a fish spear through his hand, while out spearing frogs.

The boys were out west of town "frog hunting," when both sighted a frog. Tommy made a grab at the same time Harold Groves thrust his spear, with the consequence that one of the tines penetrated the boy's left hand near the knuckle, between the second and third fingers.

Young Groves ran all the way to town and secured a saw with which to cut the spear handle. The two boys then hurried back to the village, and went to a physician.

Arriving at the doctor's office the spear was placed in a vice and the barb sawed off with a back saw, when the time was pulled out of the boy's hand.

Tommy displayed great fortitude during the painful ordeal, and is about town seemingly as happy as ever, and no serious results are anticipated.
