1. I feel that my 13 years experience in the Oakland County Circuit Court system together with the fact that I have done absubstantial amount of criminal defense work makes me qualified for this position, 2. I feel that disrespect for the law is one of the major problems. If our time, The citzens is I football and the major problems of our time, The citzens is I football and County are entitled to resolute enforcement of the law by the Prosecuting Attorney. To obtain such law enforcement we need qualified deficated and the law to need the prosecutor's city of the law to need the prosecutor's city of the law to need the prosecutor's city of the law enforcement specifies, and the country of the law enforcement agancies.
