Nobody knows more about VWs than a VW dealer.

We know exactly what it takes to put a used VW into shape.

And we do it.

We give all our trade-ins the 16-point Safety and Performance Inspection.

If they pass, we guarantee 100% the free repair or replacement of all major working parts* for 30 days or 1000 miles. Whichever comes first. If they don't pass, we fix what needs fixing before we guarantee them.

These passed:

*engine + transmission + rear axle + front axle assemblies + brakes + electrical system
