GETS SCHOLARSHIP

Rev. George Gullen Is Thus
Honored

The Brantford (Canada) Ex-
positor, which was received at this
office this week, contained the
following, which will be read with
interest by Farmington people:

"The George Gullen scholar-
ship in philosophy of Toronto
University, valued at \$300 per
year, and which carries with it the
opportunity of joining the staff of
the university, has been offered to
Mr. George E. Gullen, B. A. of
this city. Mr. Gullen has recently
joined the Michigan Methodist
conference and is stationed at
Farmington, Mich. It is hardly
likely that he will accept under the
circumstances. The selection of
Mr. Gullen for the post is gratifying
to his many friends owing to his
brilliant career while at college.
It is considered one of the highest
honors of the university."

Raise in Wages

Conductors and motormen em-
ployed by the D. U. R. running
into Pontiac and Oakland county,
as well as those of Detroit, were
made the recipients of a volunteer
raise of wages on the part of the
company Saturday.

Announcement of the new sched-
ule that will go into immediate
effect was given to the Press-Gaz-
ette Saturday afternoon by an
official from the Detroit Union.

"We decided some time ago,"
he stated, "that the men were to
be given a share of our increased
business and the voluntary action
on the part of the management is
likely to still further cement the
friendly relations existing in our
ranks."

"Under the old schedule first
year men receive 23 cents per hour,
second year 24 and third year 25.
Beginning with Monday, the first
year men will receive the same but
second and third year employees
will be awarded 25 and 27 cents
per hour. The new order of things
effects all of the motormen and
conductors of Pontiac and Detroit,
about 2,000 in number. The raise
in wages means the distribution of
about \$100,000 over last year's pay
roll."

Petitions Posted.

Much attention is being attract-
ed these days by the lists of names
signed to local option petitions
which have been posted by the
anti-local option faction preliminary
to their demand of the board of
supervisors that there be a re-sub-
mission of the question at the
spring election next year. Long
lists of names are posted in con-
spicuous places in the city and
county. They are perused with
evident interest by the "dry" fac-
tion and not a few have copies of
the names, but for what purpose
they decline to state. There is a
noticeable absence of names of
local merchants from the lists, un-
doubtedly due to the fact that they
do not care to stand one way or
the other for business reasons.

The campaign of the coming
spring will differ from that of two
years ago only in the fact that it is
the "wet" faction who are doing
most of the hustling this year
while the "drys" did it two years
ago. The local option law earned
two years ago by a majority of 73

Ladies' Literary Club.

The first meeting of the ladies'
Literary Club for this year was held
at the home of Mrs. Ella Irish
Wednesday, Oct. 6th, to take up
the study of "The Netherlands,"
History, Art and Literature. Early
all of the members were present
and answered to roll called with
"Summer Reveries," after which
they listened to a very interest-
ing paper and map study on
rivers and Canals of Holland, by
Mrs. Bertha Steele. The best part
of the program was given in the
dining room where the program
committee consisting of Mrs. Agnes
Chamberlain, Mrs. Minnie Wilber
and Mrs. Ella Irish assisted by
Mrs. Bertha Steele, served a very
elaborate "Dutch lunch," to which
every one did ample justice. The
meeting was then adjourned to
meet Oct. 20, with Mrs. Bertha
Steele.

Directing Church Choir

The following from the Press-
Gazette shows the progress of a
former well known Farmington
young man:

"Clove A. Nichols, formerly of
Pontiac, has been chosen to direct
the Simpson M. E. church choir
of 25 voices. Mr. Nichols' ser-
vices during the past year at North
Woodward M. E. church, Detroit,
have given him the prominence as
a director, which his appearances
in concert work have given him as
a singer."

"Mr. Nichols' tenor solos in the
production of "Eljah" by the
Windsor and Walkerville Choral
society last May will not soon be
forgotten by those privileged to
hear that work. He was soloist in
Handel's "Messiah" at Ann Arbor
in 1908, and has been soloist with
the Detroit Symphony orchestra.
In 1906 and 1907 he was director
of St. Andrew's Presbyterian
church chorus choir of 30 voices."

"Under Mr. Nichols' direction
the music at the Simpson church,
Detroit, will assume an important
role in connection with the ser-
vices. Several ambitious under-
takings have already been planned
for this winter."

Game and Fish Law

The following are the dates in
which Oakland county people can
legally kill game or fish:

Deer, Nov. 10 to 30 inclusive.
Rabbits, unlawful to use ferrets.
Squirrels, Oct. 15 to Nov. 30.
Fox, mink, coon and skunk,
Nov. 1 to April 1.

Muskrat, Nov. 1 to April 15.
Quail, protected until Oct. 1, 1914.
Partridge, Oct. 15 to Nov. 30.
Mourning doves, protected all
time.

Ducks, Sept. 1 to Jan. 1.
Bass, June 15 to Feb. 1.
Brook trout, May 1 to Sept. 1.

Law Will Be Enforced

Notices have been sent out by
the state oil inspector that the pro-
visions of the recent act relative to
labeling gasoline will be strictly
enforced.

The act which went into effect
Sept. 1, repeals the one formerly
in force which provided for the
labeling of gasoline cans with tags
or labels. The new law provides
among other things that gasoline
shall not be kept in cans, casks,
barrels or packages, except when
they have been painted a bright
red and properly labeled gasoline,
benzine or naphtha. Where it is
used in quantities of a quart or
less for cleaning purposes it may
be kept in a bottle which has been
properly labeled with a label print-
ed in red ink. The penalty for
violation of the act is a fine of not
more than \$50 or imprisonment in
the county jail for not more than
30 days, or both, in the discretion
of the court.
