

Holiday Inn is held up

Three masked men forced their way into the Holiday Inn of Farmington, 38123 W. Ten Mile Road, at 3:45 Monday morning, Jan. 13 and escaped with \$19,896 in cash, the Farmington Hills police said. One of the men was armed with a shotgun.

According to police, the three suspects entered the hotel and knocked on the main office door. When the desk clerk answered the door, one of the men pushed it partially open. They then identified themselves as narcotic agents and said they wanted to check the office for drugs.

The Great Protector

Insulation is the greatest protection your home can have from the needless waste of energy and money. It keeps the cool in your refrigerator—the heat in your oven. Installed in your home, it provides a double benefit. It keeps the warm air in during the winter and the hot air out in summer. Insulation is the key to saving scarce energy and dollars on your heating and cooling bills.

How much insulation should you have? At least six inches of quality insulation in the ceiling of your home. Also, to increase your savings of energy and money, install storm doors and windows, weather-strip and caulk cracks.

* For more ideas on how to save scarce energy and heating and cooling dollars, call or stop in for our free booklet, "Why Insulate?"
