## OBŞERVER & ECCENTRIC Emergency medical care response 'disappointing'

Thursday, January 29, 1976

A year ago Oakland Courty began to assess the needs and deficiencies in emergency medical care, hiring Gary T. Canheld as director of the Emergency Medical Services Division. His office is in the courty health department building in the Pontiac Oakland Courty services complex.

"We're disappointed in to local) re-sponse. If the commanity wants to be part of EMS, they must let the county know. Local governments have to make some commitment and the public must demand it." Canfield said

A systematic program for vehicle quipment upgrading.

Specific recommendations on the basic ratem as proposed by the council are:

netion: "EMS has no chance blic is informed," the council

Training: The qualifications of those rendering aid to a victim are essential to any EMS service, the council says. The public

### Dog trial set in February

Premium lists will be offered to the high scoring dog each day at the Sportsmen's Dog Tranning Club of Detroit trial Feb 22 in the Michigan Mart Building at the State Fairgrounds

The trial is part of a double obedience weekend which also features an AKC4-censed all-breed trial on Feb 21 at the Grand Blanc High School sportored by the Companion Dog Training Club of Fant

Classes will be offered in novice, open, utility and graduate novice. Exhibitors should send entries by Feb 4, to Moss-Bow Dog Show Organization, 2231 Ed-ward PO Box 9999. Madison Heights.

#### SEOVEC schedules open house Feb. 8

National Vocational Education Week will be observed at the Southeast Vocational Education Creter (SSOVEC) with an open house from 23 pm Sanday, Feb 1. The center is at 965 Delemerer, Royal Oak, three blocks east of Cooldeg and two blocks north of Fourteen Mike Road It serves students from the Birmingham. Bloomfeld Hills, Southfield and Two published to the serves at the southeastern from the southeastern part of the country.

The open house is open to all interested parents and students and will be an op-portunity to view the facilities and learn about the programs

Students interested in the programs may stain additional information from their

A 60-hour crash course on injury-man-agement should be instituted by the Out-land Outpy police academy. Few police personnel have had more than superficial training, yet they are must often first on the scene of a medical emergency, Can-field said.

fire departments.

Pleases and Legislation: The grant application to the Department of Health. Education and Weilare, the state legislature's passage of bills to improve and maintain the quality of ESS care, and local governmen's cooperation by seeing that its personnel are trained, are necessary to successful program. Canfield points out

The county council and staff firmly be-eve that the program, when funded on a atching basis and implemented, will pre-ent needless death and disability
