HE GIVETH HIS BELOVED SLEEP
How good the father's loving care
His angels or us vigils keep
His hand so strong, 't is his love more
For so He giveth his beloved sleep.

The storms and clouds are in His will
And sunshine too, so we must rest;
His voice we hear Peace be still,
For so He giveth his beloved sleep.

At evening time it shall be light
For God is mighty as a help;
His love will make the pathway bright,
And so He giveth his beloved sleep.

How comes the child to its mother's breast?
Heaven will cause it not to weep;
Its troubles o'er, it now has rest,
So God giveth his beloved sleep.

God bless you, my beloved old friend,
Your heart and soul in mercy keep;
Protect and be true to the end,
So God giveth his beloved sleep.

He was surprised at how the forces healed. I took four (four) bottles of Rennie's Pain-Killing Oil for twelve years. I had consulted scores of physicians taking all kinds of medicine, visited first Springs and other places, but nothing helped me. They were after all, only temporary relief. They would help me for a time, but after discontinuing the medicine the symptoms would break out again—running sores, blotches, rheumatism, pain, loss of sleep, and all the other things of the kind, dyspepsia, etc. I had given up in despair when I had no hope, but took his advice. In three weeks the sores commenced to heal up and I became stronger. I continued the New Rennie's Pain-Killing Oil for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boys, who are old, sound and healthy, I've finally can recommend your treatment with all my heart.
