Coat. Bogardus again hits the Bull's Eye

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I have suffered a long time with kidney and bladder trouble and have used several well known kidney medicines all of which gave me no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills I was subject to severe backache and pains in my kidneys with suppression and oftentimes a cloudy voiding. While upon arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and once more feel like my own self. All this I owe solely to Foley's Kidney Pills and always recommend them to my fellow sufferers." T. H. McGee.
