cials are agreed. The drain currentssion and the department of pubbe works ought to be merged.

Any argument will be over how the lead-entitle it selected and by whom-the counciliation in the control of the counciliation. The public will get it achieve to sound off when the board of commissioners holds a public hearing on a merger proposal Thursday. Feb 18 at 10 am in the commissioners and off when the board of commissioners and council and the commissioners and off the commissioners and off the commissioners and off the commissioners and off the commissioners and of the commissioners and off the commissioners and the commissioners are commissioners.

What is the most discouraging thing about shoveling stock from your driveway. Ilaumg the stone join come along later and timor a sould wall of wome and certain the sould wall of wome and certain the sould wall of wome and certain the sould wall of the sould wall of the sould be sou

IF THE COUNTY road commissions show plows block driveway entrances, why don't they take the trouble to reopen them?

It sumply is not leasible from any view-point. Grubba says. "Tye experienced the same frustration myself and I wish we could reopen blocked driveway entrances But we can:"

For still another you might have to wait several days for the mod commusion to open your drive. assuming we could all find to perform such a service counts wide. Our first plonity would have to remain clearing our primary, and local mode state trunkines. This often missives over time operations continuing for two or more days.

"REGRETTABLE as the problem is m terms of insatration increased bind pressure and the risk of heart attack, opening driveway entrances has to remain an individual responsibility of property owners—just as clearing the rest of the driveway is said Grubba.

Organic gardening

Even the backyard gardener can start growing nutritious vegetables. The place to learn how is at an organic gardening seminar offered from 7 to 10 pm starting Feb. 11. in room M-183 at the Orchard Ridge Campus of Oakland Community Col.

stuge compared to the conducted by Wallace Smith of Hickory Moon Farms. Subjects include planning the garden or dering seeds organic fertilizers, oul preparation and winter care, and crops will be decounted.
