Private Liv**e**s

Noel Coward's "Private Lives" is set to open Friday, Feb. 20 with, from left, Marcia Benson, Phil Embury, Sandra Sutherland and Jack Gruike in the lead roles. The play is being produced by the Farmington Players in the

players barn and is set to run for three con-secutive weekends. Tickets are available through the group's box office telephone: 851-5508.

Once the opening lead was made, south could see his only problem as his place like our like place and like heart lever could go on the space as Trumps could only offer problems with a four-percolivision and there was no defense against this NORTH.
