

**Romantic Collection:
Ethan Allen's Very New
Royal Charter Oak Bedroom**

So new! New from the Ethan Allen craftsmen - and now at Weggs - yet steeped in the splendor and tradition of 17th and 18th Century England. This magnificent Royal Charter Oak bedroom - with its grand Tester Bed - is a proud addition to our Ethan Allen Galleries, and brings our total collection of 104 Charter Oak furniture to over 70 pieces. This sought-after furniture - originally a grouping of dining room and living room pieces only - is becoming a show stopper for such instant bedrooms as the stunning Tester Bed, majestic Armoire and tall Mirror for pairing. Available now for delivery to your home. Were you looking forward to showing your world a new rooming?

Our fine Inter-Designers are available to help you choose furniture well done and arranged for your particular theme. Or, for a ready-made presentation, they will show a grouping designed for the completely ready-to-home-just-dwell.

Magnificent Breakfront
from our 18th Century Henredon Collection

Our 18th Century Georgetown Court Galleries encompass one of the finest collections of Williamsburg inspired furniture & accessories in Michigan. Each beautifully crafted piece is an authentic reproduction of historical furniture by skilled craftsmen.

Romantic Collection:
Ethan Allen's Very New
Royal Charter Oak Bedroom

So new! New from the Ethan Allen craftsmen - and new at Wedg, yet steeped in the splendor and tradition of 18th and 19th Century England. This magnificent Royal Charter Oak bedroom, with a grand Tester Bed is a great addition to your Ethan Allen Galleries - and brings our total collection of 100 Charter Oak furniture to over 700 pieces. This sought after furniture - originally a grouping of dining room and living room pieces only - is becoming a show case for such excellent heirlooms, as the stunning Testor Bed, majestic Armchair and tall inlaid chest of drawers, all available to deliver to your home. We're looking forward to sharing this... with you.

Our fine Interior Designers are available to help you choose furniture, wall decor and accessories for your particular theme, or to coordinate your entire home, if you like a group designed to be completely ready at home just now.

Versatile Sectional...at home, in your home!

Customizing sofas, chairs, and ottomans to further beauty and versatility are but a small handful of the ways that upholstery designers can help. Whatever you desire: sofas, loveseats, recliners, chairs, ottomans, headboards, you and your very own color, style, size, fabric to suit your taste. The upholstery designer's work is fun and fulfilling. For a look at sectional's shown above, visit www.1000sofas.com for color, fabric, and style options.
