What is the pre-school program?
The term pre-school refers to children
who haven't so yet entered a format reform
tonal program. Currently the school do
tonal trial control to the school do
tonal trial maintain pre-school programs.
The objective of such programs are
aimed at providing children identified an
to having what would be considered baselearning experiences necessary for the
child entering kindergarien with a
planned sequential program of pre-school
tone to the pre-school program to provided with
those reparences be they social physical
those reparences be they social physical
or mental that would make it provided with
