**Daily Interest  
Statement Savings lets you  
make deposits, withdrawals,  
and earn daily interest—  
all without a passbook.**

The convenient, modern way to bank is with a Daily Interest Statement Savings account at Detroit Bank & Trust.

It's convenient, because there is no passbook to bother with. You don't have to have one with you to make deposits or withdrawals. And you never have to worry about losing it.

It's modern, because you get a detailed, computerized statement of your account's activities every interest quarter—deposits, withdrawals, interest earned and current balance. It's all there in easy-to-read form. And it's mailed to your home.

And Daily Interest Statement Savings is smart to have because you earn daily interest on your savings. Your money is compounded and paid quarterly at a 5% annual interest rate, earning interest from day of deposit to day of withdrawal.

To start your Daily Interest Statement Savings account, just tell your DETROIT BANK-er you want to sign up. Of course, your account is insured to \$40,000 by the FDIC.

For daily interest and the convenience of a statement account...it pays to know a DETROIT BANK-er better.
