

GREAT SAVINGS ON FINE MULTITESTERS.

**Our 30,000 Ohms-per-Volt 32-Range
Mirrored-Scale Multitester**

**Now \$26⁹⁵
SAVE \$3
Reg. \$29.95**

This deluxe portable features: (1) Low voltage range DC for transistor measurements. (2) Fuse-protected circuitry. (3) Reads DCV, 0.25-1000; ACV, 0-1000; DC current to 12 amps, ohms to 60 meg., -20 to +50 dB. (4) With leads, batteries and instructions. 4 1/2 x 6 1/2 x 2 1/4".
89 M 50841 Imported. Shpg. wt. 1 1/2 lbs. Net \$26.95
89 M 01081 Carry Case. Shpg. wt. 8 oz. Net 2.95

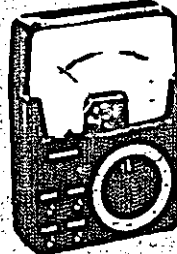

**Our 20,000 Ohms-per-Volt
24-Range Mirrored-Scale
Multitester**

**Now \$19⁹⁵
SAVE \$3
Reg. \$22.95**

A sensitive VOM with: (1) Fuse protection. (2) Selector "off" position for safe transport. (3) Reads: AC and DC Volts to 1200; DC to 600mA; Resistance to 10 meg.; -20 to +63 dB. 5 1/2 x 3 1/2 x 1 1/4". Imported.
89 M 50734 Vtl. 1 1/2 lbs. ...Net \$19.95

**The Lafayette 20,000 Ohms-
Volt 21-Range Multitester
With Mirrored Scale**

**Now \$15⁹⁵
SAVE \$3
Reg. \$18.95**

This precision VOM boasts: (1) a 40 uA meter movement. (2) 1% precision resistors. (3) Fuse protected. (4) Reads: AC and DC Volts to 1200; DC to 300 mA; Resistance to 6 meg. ohms; -20 to +63 dB. 3 1/2 x 4 1/4 x 1". Imported.
89 M 50728 Shpg. wt. 1 lb. Net \$15.95
89 M 01073 Case. 5 oz. ...Net 2.95

**The Lafayette 1000 Ohms-
per-Volt Eight-Range
Multitester**

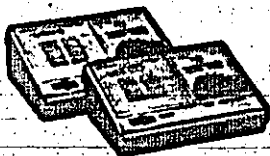

**Now \$7⁹⁵
SAVE \$1
Reg. \$8.95**

(1) It measures AC and DC Volts to 1200; DC to 120 mA; 0-200,000 ohms. (2) 1% precision resistors. (3) With leads, battery and instructions. 3 1/2 x 2 1/2 x 1 1/4". 10 oz.

**The Lafayette 2-Channel
Solid-State AM Wireless
Intercom**

**SALE \$34⁹⁵
each station
SAVE \$3
Reg. \$37.95**

Improve communications at home or office with this quality intercom that offers: (1) "press-to-talk" with "lock-talk" switch that enables you to monitor continuously. (2) Volume and channel selector controls. (3) Each unit operates as a master. (4) Have 3 simultaneous, independent, conversations on separate channels. (5) And best just plug it in to install it. 117 VAC, 60 Hz. 7 1/2 x 5 1/2 x 1 3/4". Imported.
89 M 46300 Vtl. 3 lbs. Net ea. \$4.95

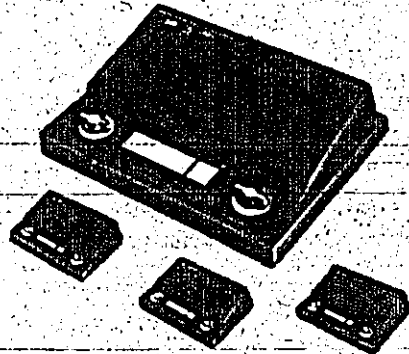

**The Lafayette Solid-State
2-Station Intercom System**

**\$42⁹⁵
two stations**

This is an intercom system that's designed to give you maximum communications at the minimum price. It features: (1) One master and one remote station. (2) 70 feet of cable with molded plug-in ends. (3) All basic controls. (4) Desk or wall mount versatility. (5) Has inter unit-page with tone. Includes 8V battery. Imported. 3 1/2 x 4 1/2 x 2".
