WHODUNIT?

The sofa, the chair, the stove and the dresses . . . all sold in a single day. Who could have gotten away with it? It's really not such a mystery. Every clue points to the Observer & Eccentric Classifieds: the quick response, the number of calls, and most important, the results-SALES.

Consider the opportunity . . . the Observer & Eccentric Newspapers are read twice each week by more than 155,500 families in Wayne and Oakland Counties --families next door to you and in neighboring communities.

Consider the motive . . . the Observer & Eccentric Want Ad Department has a strong de-

sire to satisfy your needs, whether you're selling a couch or looking for a job.

Consider the weapon—the Family Want Ads have a double edge because they're placed in two consecutive issues (Monday/Thursday or Thursday/Monday) and are seen each time by more than 155,500 witnesses. And these Family Want Ads (no changes in copy, no cancellations) cost only 8¢—that's a savings to you of 82¢ off the regular cost of placing an ad in two issues.

It's a *modus operandi* that is well known and makes the solution to this case elementary.
