Star vs. Northland in playoff finale

Over 30 hockey showdown set

Just two teams—Star Lincoln-Mercury and Northland Heating Company—remain in the running for the Southfield Over 30 Hockey League playoff championship. Star and Northland will settle the championship by meeting each other in the playoff finale at 7:30 p.m. Thursday at Southfield's Civic Center arena.

Star, coached by Joe Rupp, can take the title by winning or tying that game. Coach Henry Ernst's Northland squad must defeat Star to win the crown. Both teams won playoff games last Monday.

Star stayed in first place and lifted its playoff record to 5-1-0 by defeating Sawyer-Fuller Funeral Home 5-2. Nick Mancini scored two goals for the winners, while Tony Guccardo, Jim LePine and Ted Prokow each scored one goal. Chris Nansky scored the lone goal for the losers, now 3-2-1 and fourth in the playoff standings.

Second-place Northland kept pace by beating Spartan Concrete 1-0. Larry Smith's Russ Stabile fired in a pair of goals, while teammates Gary Feldman and Frank Goldberg each added one. Elmer Rozewicz scored Suburban's lone goal. The victory lifted Northland to 4-1-1, just one point behind Star. Suburban is in third place, with a 4-2-0 post-season record.

Ray Tremblay, the league's top scorer, scored two goals to lead Concourse Camera past Arley's Firestone 5-2. Lee Fitzgerald, Bob Young and Ken Keane scored single goals for Concourse, now 3-3-0. Joe Kavalich and Bill Kosko scored for

Arley's, which fell to 0-4-0. Southfield Holiday Inn blasted Spartan Concrete, 11-3, thanks to a five-goal rampage by John Gammerra, Tom Kelly, Roy Brandon, Bob Hawk and Bill Haw added single markers in the rout. Bryon Maddox scored two goals and Larry Smith added one for Spartan. The win lifted Holiday Inn to 3-3-0. The loss dropped Spartan to 1-5-0.

In other games Thursday, Suburban Sports Center plays Sawyer-Fuller at 8:35 p.m.; Spartan Concrete plays Arley's Firestone at 9:00 and Concourse Camera plays Holiday Inn at 10:00.

Early birds will get better than a worm at Wolverine Raceway during the first week of racing as the big Livonia mile track warmly welcomes back its harness fandom. On Tuesday night, April 13, the first 1,000 grandstand patrons will receive, free, a "Fun To Trot" T-shirt, on Wednesday colorful bicentennial horse pictures to the first 1,000 and on Thursday children's horse coloring books to 1,000 early arrivals. Cooperating in the give-aways are radio stations WDEE, WCAR and WOLMC, each of which will be represented by its most popular mike talents. . . . Numbered among Wolverine's incoming stables are nine of the racing operations which made up the track's top ten of the 1973 season, including the two track champions Chris Boring and Greg Wright. Boring, a 36-year-old veteran from Adrian, won the Wolverine percentage title, while the Canadian-born Wright captured the crown for most victories with 68. Others returning from last year's top echelon include Ray Remmev, Bill Gale, Tom Merriman, Tom Harmer, Harold Fisher, Randy Fulmer, Pat Crowe and Keith Crawford. . . . Wolverine's new betting mix includes the usual nightly double, a perfecta in the third race, and trifectas in the fifth, seventh and tenth events. No inflation here, either: a wager can be put down on any of them for \$2. . . . From Pompano Park in Florida comes word that Ed O'Hare's ever-powerful stable will be handled at Wolverine by veteran Ted Taylor, who has just wrapped up his third straight driving championship at Pompano. . . . Other early trainer-drivers to watch at Wolverine include Jim Crane, a Californian famous for his training feats with New Year's, Nova Scotia's Archie McNeil, 10-year-old one time trainer for K.D. Owen's Strong Grand Circuit operation, and the always dangerous Bobby Williams, a Grand Rapids native renowned for his campaigning of such major league stake horses as Best Of All, Windy Way and Earl Lare. . . . The same Wolverine racing surface which produced a record 57 miles in ten minutes or less last year is ready and waiting for the April 12 opener. With no thoroughbred racing scheduled in between last year's harness closing in October and this year's liflifter, track maintenance workers were able to leave the harness surface status quo. . . . Male harness fans who enjoy watching a pretty female driver line up behind the starting gate will get double their pleasure this season. Joining lady champion Be Farber at Wolverine will be comely blonde teamster Jayne Weller, also a winner in more ways than one. . . . For bargain seekers, Friday, June 11 should be circled on the calendar. That's the date of Wolverine's annual "Old Times Night", when prices on most every thing are rolled back to grandpa's good old days.

Gym-J shines in 'Y' tourney

Tim Haffke, representing the Farmington Gym-Js, was an individual standout in senior division competition at the Great Lakes YMCA gymnastics regional held recently in Oberlin, Ohio.

Haffke, who entered five of the six boys' events, took first places in the still rings and horse, a second place in parallel bars, and thirds in the high bar and vaulting. The Farmington club won the second place Senior Division team trophy.

With a winner

Gordy St. John of Lathrup Village was a member of the Ecorse Basquet Rantam hockey team, which won the National Rantam (10-14 year olds) hockey tournament held last week in Warwick, R.I.

Mapped Lakes Available From MUCC

Maps of many Michigan inland lakes no longer are available from the Department of Natural Resources, but can be ordered from the Michigan United Conservation Clubs, 4801 E. 1st 7335, Lansing 48911, for 75 cents each. The equipment necessary for manufacturing the maps is no longer being used by the DNR.

Although scale and detail vary, the maps generally show lake outline, depth contour, weed beds, and shoreline features such as inlets, outlets, and channels.

An MUCC publication entitled "Michigan Mapped Lakes" lists the lakes for which maps are available and contains map order blanks. This 80-page booklet, priced at \$1.50, also includes handy reference sections on Michigan campgrounds, boat launching sites and canoe trails, plus a list of other useful outdoor information.
