

ONLY S. HOWARD HIRSH CAN CAPTURE ALL THE SPIRIT AND THE BRIGHTNESS OF THE HOT CALIFORNIA SUN IN A COLOR-INTENSE SUNDRESS. Coolest cotton poplin for noontimes and moontimes. All the excitement begins with the skinny string straps. Then the attention centers on the diamond-stitch bodice. And ends in a softly gathered skirt. Let something imaginative happen with the scarf triangle. Misses' sizes in yellow, \$80. The Woodward Shops, at all of our Hudson's stores.
