Yesterday's add buffet

The Sheraton-Southfield hotel has opened its new Yesterdays entertainment spot to food for the first time, with buffet lunches served Mondays through Fridays.

"We are catering to businessmen and women on the go, who like a quick sandwich in nostalgic surroundings," says General Manager Dan Murphy.

The Yesterdays buffet features hot corned beef, roast beef and ham sandwiches, carved to complement with a variety of relishes.

Adventure awaits

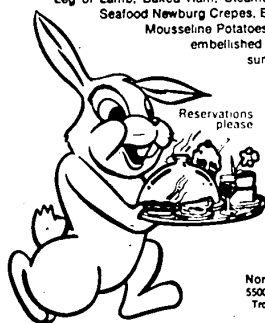

A "Northwestern Adventure" through the eyes of photographer Don Cooper awaits armchair travelers Friday and Saturday. The travel film entrepreneur brings his color film to The Community House for an 8:30 p.m. program both evenings. Cooper combines his humor with camera expertise in "Northwestern Adventure," taking his audience on a visual journey to Washington, Oregon and Idaho while personally narrating his film story. Preceding the travel film program, The Community House will serve dinner featuring foods native to the northwestern part of the country. Dinner is served from 6 p.m. by reservation only, by calling 644-5832. Reservations are not necessary for the travel film program, with tickets available in advance or at the door, at The Community House, Bates and Townsend, Birmingham.
