Make waves this summer with macho separates from Fairlane Town Center.

We've Got Levi's For The Entire Family!

At County Seat, the whole family can shop for Levi's together! Because County Seat has a whole family of Levi's looks, sizes, styles and colors. Levi's Blue Jeans for little guys and gals, casual coordinates for guys (even too!), uptown Parachute coordinates for the sophisticated gal, and plenty of popular Levi's jeans. The famous Levi's line is all we carry at County Seat. It'll bring togetherness back into your family.

For the most complete Levi's line...
