**Double power
fertilizer only with
Kaltz "Green
Machine"**

- Continuous action; releases fertilizer over an 8-week period.
- Exclusive ISDU (31-0-0) slow release fertilizer.
- Weeprow (38-8-18) quick release, fast greening fertilizer.
- Applied in solid-suspension for more and longer lasting nutrients.
- Weed control with efficiency—safety—economy.

CALL: 541-8800 for a free lawn survey
