"Ol' Blue Eyes is Here"

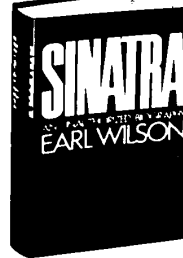

JUST IN TIME FOR MOTHER'S DAY

AN UNAUTHORIZED BIOGRAPHY
JUST RELEASED

SINATRA

BY EARL WILSON

The whole performance—it's all here in this unauthorized biography. How Sinatra did it. He was Earl Wilson knows Sinatra, his ups and downs, better than any other writer. He has followed Sinatra's career closely from the days of the skinny kid called "The Voice" to the superstar's smart comeback in the mid-1970s. Sinatra's life and career have had constant mystery and fascination for millions of Americans. And now Wilson tells the private and public stories of the many faceted champion crowd-pleaser. It's a start with Tommy Dorsey, his rise to king of crooner of the bobby-soxers and to the top of the 1950s. Others with Lana Turner and other equally glamorous. His political involvement with the Democrats, and personal involvement with Lauren Bacal, more politics with the Kennedys, the Reagan's, the Nixon's. The Agnew's, his reputed ties with the mob and the Vegas crowd, and the "unknown" Sinatra.
