Zoo animals aided May 15

The Farmington Jayettes will be at major shopping centers throughout the

Farmington area with collection canisters beginning at 10 a.m. Saturday, May 15 seeking support from shoppers to "Take An Animal to Lunch". All Jayettes of 18 and 22, which takes in the southwest portion of Oakland County are uniting for the third year to help feed animals in the Detroit Zoo.

In the past, the officers and members have been fed. This year, a full supply of fish for the King Penguins is the goal of the district. This project was adopted because the zoo benefits and is enjoyed by people from all over our county," said Carol Davis, local project chairman. "Because feed costs keep rising while income is being cut back, we know that many in the community will aid the zoo if given the chance. That's what we are promoting."

Contributions will also be accepted by mail to Farmington Jayettes, PO Box 33, Farmington, 48037.
