'Saturday Morning' is reshown June 2

The Parent Education Committee of Farmington Youth Assistance will present the unedited version of the film "Saturday Morning" 7:30 p.m. June 2 in the Farmington Community Library on Liberty.

The one and one-half hour film was edited by the committee not only to fit time limitations, but for subject matter also.

The film is about a group of teenagers who share their feelings about their parents, peers, their identities, inner conflicts, sex and morals. Due to the subject matter of the film's frank discussions, parental guidance is advised for this showing.

Admission is free but donations will be accepted to defray costs.
