his political companies," and Lubinger.

"GERESTURIES I would that it you were reaching for effice, you could say infiling young to your detractors." she consumed. The uncommitted votes legislately will take the outward appearance and delivery part of the peckage and will take the outward appearance and delivery may be a second to be a second president if he was running for office today," and Lubinger. Heatytams have noted that Lincols was provided to the second to be decided implement votes and used our typingmange. He was not asked to give the Cityshery Address because he was known to be direct and sometries votager, she mad:

Abortion trauma given priority

ed from Page 1A)

(Continued from Page 1A) she said. They know what is happening to them and is what order. There is no lear "Fear of the unknown is what makes any hysterical patient." Said Point.

There have been abortion completation became legal fear years ago, the says. We refer position to deaths in Michigan all over Detroit. The referral depends on the length of the pregnancy, where the patient lives and "before I refer someone, I want to make saw that the dectors are using a sterile tor...injue." said Plat

meterstand. LAW is gray on the area of minors having abortions without perental permission, according to Pintt Most clin-ies require parental permission for minors because of the fear of majoractive saits, but not all doctors do. The youngest patient with a problem pregnancy to call in was 12 years old, she said.
