

1977^{1/2} Versailles

The Lincoln Versailles, Lincoln-Mercury's trim new luxury car, will debut April 15. The Versailles will include as standard a 351-cubic-inch V8 engine, four-wheel power disc brakes, forged aluminum wheels, air condi-

tion, left- and right-hand illuminated visor vanity mirrors, power windows, an AM/FM radio with power antenna and a "Clearcoat" paint finish available on no other domestically produced car.

Auto people on the move

JAMES G. VORHES of Birmingham was elected vice-president in charge of consumer relations and service staff of General Motors. Vorhes has been general sales manager at the Pontiac Division since 1973.

FREDERICK G. BEATTIE JR. of Farmington has been appointed manager-risk management with American Motors' insurance department. Beattie joined AMC in 1965 as assistant insurance manager and most recently was manager of group insurance and workers' compensation.

MARGARET V. ASHTON of Birmingham was promoted to sales budgets and personnel manager of the Cadillac Division of General Motors. Ms. Ashton began her Cadillac career in the financial section in 1943 and most recently was assistant sales budget and personnel manager.

GEORGE F. FRANCIS III of Southfield has been appointed personnel director of the GM Assembly Division plant in Ypsilanti.

Francis, who began his GM career as a college graduate in training in the GMAD plant in Arlington, Texas, in 1964.

EUGENE E. KOCH of Bloomfield Hills has been appointed public relations manager, truck and recreation products operations, Ford Motor

Koch joined the company in 1953 in the corporate news department and most recently was assistant public relations manager at the Ford Division.

Francis **Bolin**
MATHEW G. BOLIN of Rochester has been appointed director of marketing for Chrysler Corp.'s fleet division.
 Bolin joined Chrysler in 1955 as a member of the central comptroller's staff.
