Extend your hours of summer fun with a gas yard lamp. A gas lamp lends a soft glow to patio or yard, repels insects, makes walkways safer, and discourages prowlers. Made of cast aluminum with black finish, the gas lamps are topped by graceful eagle finial. "Snug-Fit" windows allow complete cleaning without a tool.

For those who love the outdoors and gracious living, the gas grill is the modern way to enjoy outdoor cooking at its best. This new method of barbecue cooking gives the flavor of charcoal without the mess and fuss. Gas offers a full range of heat from high to low. Cast aluminum construction makes the gas grill virtually weatherproof.
