Ms. Tobin earns nursing degree

Mary Tobin, daughter of Mr. and Mrs. John Tobin, 29126 Hemlock Drive, Farmington, was one of 49 women who received BS degrees in nursing at the 130th annual commencement exercises at Saint Mary's College, recently.

This was the first graduating class of the Nursing Department, which was established in 1973.

Tennis and Crumpets benefit under way

Letters to patrons of "Tennis and Crumpets" went out this week for the benefit that is now in its 11th year. Mrs. Tibor Nagy is serving as benefit chairman for the 1977 Oakland County committee.

The fundraiser for Children's Hospital begins in June and concludes with tournament play in September; the Super-Finals are in early October.

Among the committee members from Farmington Hills are Mrs. Edward Andries, 30073 Club House Lane, and Mrs. Raymond Edler, 30679 S. Wendybrook.

To date the event has raised \$300,000 for the hospital, the second largest hospital of its kind in the county.

Last year more than 3,700 tennis players from the metropolitan area played in the tournament. This year it is expected that more than 4,000 players will enter.

Mrs. Nagy says, "Although the emphasis for the most part is on tournament playing, it is the patrons who

are closest to our hearts.

"Their generous donations each year have enabled us to successfully meet and even exceed every goal that we have aimed for over the past years."

The committee hopes that play in 1977 will see the completion of a \$200,000 pledge made to the hospital's medical cardiology suite. Money set aside for this cause, over the past few years, now amounts to \$170,886.

The major proceeds from this year's tournament will go to support Children's poison control center because physicians are having a difficult time keeping current on the ingredients in, and antidotes for, the thousands of poisonous substances children consume.

Since 1963, the center has provided a lifeline for frantic parents, baby sitters and grandparents. No charge is made for the information dispensed, and financial support is needed if the hospital is to continue the service to the community.

Men that can
have communion in
nothing else; can
sympathize with
each other, can
still rise into
some glow of
brotherhood over
food and wine.

SALON

Let us show you how to
wash your face without
drying your skin.

Many soaps, even those with lanolin, glycerine or cold cream, are alkaline by nature. (The opposite of your skin which is slightly acidic.) Alkalinity can counteract your skin's natural acid balance and help make it dry and taut.

Redken's Amino Pon Beauty Bar has been scientifically formulated without soap so you can wash your face without drying your skin. This non-soap is wheat-based and contains vitamins, natural protein humectants and other beneficial ingredients. And, like all Redken products found in our salon, it's acid-balanced to be compatible with your skin.

Let us introduce you to Amino Pon Beauty Bar and all our other wonderful Redken skin care products including Amino Pon Moisturizing Lotion and Proderma Cream. Stop by our Redken Retail Center today and discover for yourself the beautiful things science can do for you.
