Everyday is open house at Seton Nursery

Seton Nursery School and Day Care Center is taking registrations for the summer and fall sessions. The facility is a non-profit organization, in the St. Vincent and Sarah Fisher complex, 29475 Inquirer Road.

To meet the needs of the mother who needs child care, the school offers half- and full-day sessions, five days a week, and it is open from 7 a.m. to 6 p.m. year around.

"Come and bring your young children for a delightful experience," says Marjorie Fitzsimons, program director for the facility. "Visit our school any time it is convenient for you."

Goal of the school is to offer a child numerous social learning experiences,

as well as academic preparation for elementary school.

"It provides a congenial environment where a child can express his feelings, his energy and ideas," Ms. Fitzsimons says.

"He can clarify concepts and acquire new knowledge; have the time and opportunity to be independent, resourceful, curious and responsible." Since people behave in terms of their self-concept, Mrs. Fitzsimons adds, "It is our over-all goal to help a child feel good about himself, to feel loveable and capable. Then he will be able to deal effectively with the world in which he lives."

The school and center are both staff with state-certified teachers and assistants.

Society taps 4 from Farmington

Four Farmington community students at Michigan State University were initiated into the school's Phi Kappa Phi chapter.

The new members of the scholastic honor society are Gail Ann McGregor of Farmington; Mary Frances Brennan, Sharon Lynn Maykovich and Julie Ann Webber, all of Farmington Hills.

The society rewards and encourages superior scholarship in all fields of study. Only seniors in the top 10 per cent of their class, and juniors in the top five per cent, are considered for membership.

Canoeing, kayaking offered by FARC

The Farmington Area Recreation Commission will sponsor a basic canoeing course and an introduction to kayaking beginning in mid-June, and each winding up with a water trip in mid-July.

The canoeing course is designed to provide the participant with all necessary basic canoeing techniques. The course will run on Wednesdays on Huron River, near Mildford. Minimum age is 10 years for students.

The kayaking course will be taught in the Farmington High School pool, with the day trip scheduled for Delta Rapids near Ann Arbor. Minimum age is 14 years for students.

Classes for canoeing start June 15, and for kayaking June 14.

Registrations are being taken now by the commission office, 474-6115
