Lahser girl sets mile record

By JOHN BOZZO

Before the Class A Girls' State

Track and Field Championships, Saturday in Bloomfeld Hills, Kathy Waison of Labser had no doubt she would win the mile run for the third consecutive year.

Despite this confidence, she was very nervous before the race. Her

won the race with a 5:06.4. Both times broke existing state records. This year there was talk of her becoming the first high school girl in Michigan to run a sub-five minute mile. Kathy said she was also shooting to break the five-minute barrier.

I just had the idea of going out and doing the very best I can do: "Athy said, "and whatever happens, happens."

COACH HANSEN also liked the record, but he wanted to be sure Kathy won the race. A strong numer from Fint Kearsley High School. Card Schenck, had Hansen caultuius.

"That girl she was running against was fast," Hansen said. "I just felt that in order for a girl to beat Kathy would have to be the type of race where they would follow her around the whole way and outsprint her at the end. Our whole objective was to get out quick.

"She came around at the 660-yard mark." Hansen recalled." and I

get out quick.

"She came around at the 650-yard mark." Hansen recalled. "and I stead of the bride in some events." really hollered for her to get going Hansen said. "I'm not saying I'm not and get rid of that girl (Schenck). It happy, but I'd like to run that meet was the only way Kathy could breah over again. I just felt we could have five minutes, plus she had to get out made a better showing. I thought there, get the lead and hold it."

Kathy Wilson finished the race with
