

# 5 Bedroom Styles All At Great Savings

With a cannonball bed as the center of its design scheme, our Georgian Court bedroom reproduces treasures from America's rich heritage in exquisitely finished solid cherry and superb cherry veneers.

Manufacturer's suggested retail prices, optional with retailers.

Ethan Allen bedrooms are more than just a place to sleep. They're designed to give you an attractive *personal* room in which to dress or relax comfortably and privately; one with lots of cleverly planned storage for your clothes and things.

With five bedrooms on sale, you can choose from Royal Charter where you'll feel like a Tudor Queen or Georgian Court where you'll imagine it's 1777 in Virginia.

Or your very own place can be a haven of cozy warmth like the country American bedroom in Heirloom or the serenely rustic bedroom in Old Tavern.

There's even a young girl's room in delicious yellow or white!

Best of all, great value and reasonable prices mean you don't have to wait any longer for the bedroom you've been dreaming about.

5 Piece, 100"  
Wall Group  
Sale \$779.50  
Reg. \$927.50

All the furniture in this young lady's room is on sale in your choice of white or yellow lacquer. Individual wall units are sale priced although you save even more when you buy the group!
